Sec 1. Admission to M.Sc. Animation Design - An Introduction and How to Apply

The M.Sc. Animation Design Programme 2022 Information Brochure covers information related to admissions in the 2 -year (4-semester) full time M.Sc. Animation Design programme offered at the Birla Institute of Technology, Jaipur Campus. On the successful completion of the 2-year (4-semester) programme, the students will be awarded the degree of M.Sc. Animation Design Programme. The institute reserves the right not to offer the programme in case the number of students found to be eligible for admission is less than a certain minimum.

Eligibility Criteria:

1. Candidates must have any of the following graduate qualifications:

B.Sc. (Animation and Multimedia) / Bachelor of Fine Art / Bachelor of Design/ Bachelor of Visual Art / Bachelor in Performing Arts with minimum 50% marks (45 % for SC/ST)

OR

Graduate (10+2+3) in any stream from a recognized university with minimum 50% marks (45 % for SC/ST) and 1 year experience in a creative art field

2. Candidates appearing for final examinations in 2022 can also apply and if selected can join the programme provisionally. At the time of counselling, they must bring a certificate in original from the Principal of Institute stating that:

a). She/he will have appeared for examination in all subjects required for obtaining his/her qualifying degree.

b). She/he has obtained requisite marks or equivalent based on latest available grades / marks. Provisionally selected candidates will be required to sign an undertaking at the time of admission on Non-Judicial Stamp Paper (as format given in Sec-11). Further, their admission will be confirmed only when they submit the mark sheet and a certificate of having passed the qualifying examination with requisite marks. They must submit proof of passing their final examinations with requisite marks by 31 October 2022. Non-fulfillment of this condition will automatically result in the cancellation of the provisional admission.

3. Candidates with qualifications acquired through correspondence or distance-learning programmes are eligible only if

(a) The programmes are recognized by the tripartite panel of AICTE-UGC-DEC,

(b) They have passed the qualifying examination at the time of applying, with minimum requisite marks, calculated as per item (1) above. They must enclose photocopy of pass certificate and mark sheets of qualifying examination with their application. (Appearing candidates in Distance Education programme are not eligible for application). Please see Selection Procedures for details. Please also see footnote below.

Notes:

1. Candidates with foreign diplomas should see the EDCIL website for equivalence (<http://www.edcil.co.in>), and if required should obtain an equivalence certificate from the evaluation division of the AIU (website <http://www.aiuweb.org>).
2. In case any Board / University awards grades instead of marks, the calculation of equivalent marks would be based on the procedure prescribed by the Board / University. In case a University does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing obtained CGPA with the maximum possible GPA and multiplying the resultant with 100.
3. At any level of the studies [class X, class XII, graduation or post-graduation], a candidate / applicant must have passed all the required subjects at that level from the same board/ University

M.Sc. Animation Design - An Introduction

The M.Sc. Animation Design Program 2021 Information Brochure covers information related to admissions in the 2 -year (4-semester) full time M.Sc. Animation Design program offered at the Birla Institute of Technology, Jaipur Campus. On the successful completion of the 2-year (4-semester) program, the students will be awarded the degree of M.Sc. Animation Design Program. The institute reserves the right not to offer the program in case the number of students found to be eligible for admission is less than a certain minimum.

BIT Jaipur Campus was established in 1995. The focus of the institute is to provide quality education in Engineering, Applied Sciences and Management with technology and professional exposure through innovative programs & practices. Driven by the mission that the technology and innovative management practices will be the gateway to the future growth, it is today one of the leading institutes of Rajasthan in the field of Engineering, Applied Sciences and Management. The campus is well located in the southern-east part of the city, which is an upcoming hub of important installations and development activities in residential, institutional and business areas. The campus is within 5-7 km reach from the airport, railway station and bus stand.

Development Vision:

Development is a never-ending process; undoubtedly, knowledge spread, innovative concepts, innovative practices and technology breakthroughs are at core of this process. In the professional education domain, it is a two-dimensional need for upgrading knowledge and infrastructure - one to understand the fast happening conceptual and technology breakthroughs and second to facilitate new such breakthroughs to take place with more knowledge inputs and basic research. In the present competitive environment, it is now a willing compulsion for a capable and growth-oriented organization to be a part of contemporary development process. With excellent performance, progressive mind set and good will earned, the BIT Jaipur Campus has a long-term vision to consolidate the strength and excel in engineering, applied science and management education and research in emerging areas. The BIT Jaipur Campus has good potential to be one of the leading technical institutes in western part of the country as the BIT main campus is in the eastern part.

Doctoral: Ph.D Program in Computer Science Engineering, Management, and Basic Sciences (Physics, Chemistry & Mathematics)

Main Facilities and Equipment:

Building & Campus: The institute is built up in about 10 Acre land (40000 Sq M). The built up area is about 6700 Sq M consisting of 14 Class Rooms, 15 Lab Halls, Mechanical Workshop, Seminar Hall (150 Seating Capacity), Common Computer/Internet Access Centre (30 Computers), Library Hall, Canteen Hall, Indoor Sports & Gymnasium Hall, Student Common Hall and Administrative block. The institute has high speed Wi-Fi facility in whole campus for internet connectivity.

Lab & Equipment:

The institute has quality lab and software infrastructure. All required advance lab equipment and software are available in the institute to conduct offered courses along with equipment required for Mechanical Workshop. The Institute has three Dell Power Edge servers and 400 computers for lab, internet and administrative requirement.

Library:

The institute library has good collection of text and reference books required for various courses. The reading room facility has been provided separately in air-conditioned hall for journals, magazines, newspaper, etc. The digital library is also provided in the same hall with high end computers. Following resources are available in digital library:

Online e-Journals & e-books:

Engineering:	IEEE, Science Direct & ASTM digital Library
Management:	PROQUEST
Other Training Tools:	Digital English Language lab

Faculty:

All the faculty members are well qualified and have a good research back ground. Faculty members have been selected as per UGC/AICTE norms and based on high merit standards of BIT, Mesra. All Selections are made after interview at Main Campus BIT, Mesra and the faculty members are paid on regular basis in UGC grade as per 7th pay commission recommendations.

Student Activities (Technical, Sports & Other Extra Curricular Activities)

The institute has good facilities for various student activities that include sports, technical and cultural events. Three major events are organized every year for development of these aspects. These are Vibrations (Cultural Event), TechVibes (Technical Events) and Cavorts (Sports Event). In addition to these, for technology exposure and professional grooming the institute has following student forums; IETE student Chapter, CSI Student Chapter, Technical Clubs, Entrepreneur Cell and Industrial Interaction Cell. For physical fitness of the students, the institution has a well-equipped Gymnasium.

Campus Placement Cell:

The campus has a placement cell to guide students about their career plan, to train them and to facilitate their placement in reputed organizations. The Cell also coordinate for the students who opt for higher studies in premier institutions in India and abroad (M.Tech, MS, Doctoral Courses) Excellent relationship with prospective employers and an intelligent mechanism of analysis of student's interest, strength, weakness, training needs, etc. are the highlighting features of the placement cell. The focus of the placement cell is to train and prepare students in such a way that they are gladly accepted by the best organizations, corporate & industry in India and abroad. Keeping in view the long-term career prospects with scope of learning opportunities, we give high importance to the standing of the employer and offered job profile, undoubtedly a good financial remuneration naturally follows these two basic aspects. Based on high reputation of BIT in academic standards and in grooming students in descent environment, our students are categorized in a special bracket and thus good job profiles with attractive financial package are generally offered to them. The cell operates in close guidance of the centralized placement division of our main campus at Mesra, Ranchi. Through the coordinated efforts, BIT students are placed in leading corporates and PSUs. The BIT Jaipur Campus has an excellent record of quality placement along with selection of students in premier institutions in the country and abroad for higher studies. Along with the year wise campus placement details, the details of bright career of students has been given on the BIT Jaipur Campus web link with a scrolling title "Impressive Career Progression of bright BIT Jaipur Campus Students"

Alumni Cell

BIT has strong Alumni strength and all students have access to Alumni Knowledge and Placement resources throughout the world.

Canteen

BIT Jaipur campus Canteen operated on outsourced contract basis and offers hygienic food services meeting the student satisfaction at very competent price. It is supervised by the committee of BIT students and staff members. The Canteen hall is air cooled and has pleasant inner and outside ambience.

Animation & Multimedia Program at BIT Jaipur Campus

Our Institute was the pioneer in starting B.Sc. degree program in Animation & Multimedia in India in the year of 2005. Appreciating our initiative, UGC generously funded the Institute to augment latest infrastructure and facilities.

The fundamental philosophy of the course is to impart to the students a variety of skills and knowledge required for diverse range of career options in Animation and Multimedia. The course is designed in such a way that it covers in-depth knowledge of all aspects of Animation, Graphics, Film Making Process, 2D Classical & Digital Animation, Concept, Character & Story Board Designing, 3D Character Animation & Modeling, Graphics & Web designing and Audio - Video Production. This course covers all the steps related to courses such as for 3D Modeling, we start from basic Clay Modeling to computer edge Modeling. Sufficient technical and industry focused education is imparted to enable student to enter relevant professional fields or to pursue higher studies in this field. Thus this course specializes in the rapid development of artistic skills. The department has one high-tech computer laboratories having over 40 i7 machines of HP and Dell. There is one drawing studio equipped with 30 Classical Animation Disks including line test machine. The department has one Visual Effects Lab equipped with two hi-end Apple (I-MAC) Computer System for advance compositing & editing, lighting, latest digital camera etc. With the objective of giving the students adequate practical exposure, the department has latest versions of all required software. The softwares available of Animation Courses are Autodesk Maya, Adobe Creative Cloud Photoshop, Adobe CC Character Animation, Adobe Animate, Adobe CC Illustrator, Adobe CC After Effects, Adobe CC Premiere Pro, Adobe CC Audition, Adobe CC Bridge, Adobe CC Light Room Classic, Blender, and Monkey Jam. To enhance the communication skills of the students the institution has fully equipped Digital English Language Lab.

Student Development Activities

The academic excellence which is a unique feature of BIT, Mesra, focuses on the Case Method of teaching which the primary tool for learning at BIT. Besides, seminars, lectures, workshops, educational trips, film festivals, art exhibition and industrial visits facilitate effective learning amongst the students. The students are over enthusiastic and excited to participate in the extra -curricular activities held in campus or outside the campus in other institutions. Students indulge themselves in various technical clubs based on different interests and they organize various events both technical and intellectual.

The technical clubs operating in the department are:

1. *Animated Movie Club*
2. *Animated Game Club*

Besides the technical clubs the Annual Sports Event -Cavorts, Annual Technology Festival- TechVibes, Annual Cultural Festival -Vibrations add zeal and vigour to the life of students at BIT Jaipur Campus.

Focus on competence in Communication Skills, IT Software Tools & E-Learning Communication Skills and proficiency in IT Software tools are two key components of the efficient execution and success in professional environment now days. The institute provides ample training to the students through following resources;

1. Digital English Language lab
2. Online learning resources like e-books, e-journals, etc.
3. Skill development in Excel
4. Training from experts through invited lectures and workshops, main among them is from reputed TIME Institute

Research Strength of the Department:

BIT is a research-based organization which focuses not only in quality academic programs but also on quality research which ultimately upgrade academic contents as well. BIT Jaipur Campus has all the necessary infrastructure facilities to conduct the quality research. Animation & Multimedia Dept. has successfully completed two animation projects on social & medical awareness for Ministry of Health, Govt. of Rajasthan. These projects were being broadcasted regularly in Doordarshan & other channels. The short films and other media contents developed by faculty and students are regularly featured at national and international exhibitions and film festivals.

The placement activities are centrally coordinated by the main campus at Mesra.

Sec-8 Discipline, Rules and Regulations

Institute Rules & Regulations: For details of Institute rules and regulations, please see booklet provided at the time of admission.

Discipline

The Institute places a very high emphasis on discipline of students both inside and outside the campus. Students must abide by the Institute rules and agree to conform to the rules and regulations enforced from time to time. They must not do anything either inside or outside the Institute that will interfere with its orderly governance, discipline and image. Students must attend lectures, tutorials and practical classes regularly. A minimum attendance of 80% in lectures, tutorials and sessionals for each subject is essential for appearing in the Semester Examinations as per norms of Pharmacy Council of India (PCI). Thus, students should attend all theory and laboratory classes from the first day of the academic year. In case of absence due to unavoidable circumstances, students are advised to take prior permission from the Dean / Head. In case of absence due to illness, students will have to produce a Medical report signed by attending Physician / Surgeon with an application from their parents or guardians. In such a case, parents/guardians should inform the authorities immediately. Students should strike a proper balance between extracurricular activities and academic requirements. A student's participation in extra-curricular activities should not be allowed to interfere in his/her academic schedule.

During teaching hours, the main lobby, the library, the corridors of the Institute and the area surrounding the Institute are to be observed as silence zones. Students must not cause any disturbance / obstacle in these zones. Students must not indulge in any kind of misconduct or indiscipline or anti-social activities within or outside the campus. Students must not form a group causing any hindrance to the academic and administrative activities of the College. Those found doing so will be punished and strict disciplinary action will be taken by the authorities. Students shall not damage the property of the Institute. Cost of such damage will be recovered from students, parents/guardians of the students.

Students must always carry their Identity Card and produce it on request. In case of loss or damage of Identity Card, the concerned authorities should be informed immediately.

Students should park their cycles in an orderly manner at the cycle stands. Students should follow the rules of the Canteen. Students are advised to read the Notice Boards regularly.

Students are strictly prohibited from possessing or consuming spirits, tobacco products and narcotic drugs either within or outside the campus, and if found violating this will be rusticated immediately, without warning.

Ragging in any form inside or outside the campus is strictly prohibited by law. Any students found ragging other students will be summarily expelled from the Institute and dealt with as per the directive of Hon. Supreme Court/Hon. High Court.

Each student must read the “UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” on the UGC website. Each student admitted to any of the Institute’s programmes must submit the two completed affidavits [one from candidate and one from parents] at the time of admission. [for details please refer last page of this Information Brochure].

Applicability of Regulations for the time being in force, Disclaimer and Legal Jurisdiction: In Force

Notwithstanding the nature of a programme spread over more than one academic year, the regulations in force at the time a student joins a programme shall hold good only for the examinations held during or at the end of the semester. Nothing in these regulations shall be deemed to debar the Institute from amending the regulations subsequently and the amended regulations, if any, shall apply to all students old or new, as specified therein.

Disclaimer

The statements made in this Information Brochure and all other information, contained herein is believed to be correct at the time of publication. However, the Institute reserves the right to make at any or without notice, changes in and additions to the regulations, conditions governing the conduct of students, requirements for degree, fees and any other information, or statements contained in this Information Brochure. No responsibility will be accepted by the Institute for hardship or expense encountered by its students or any other person for such changes, additions, omissions or errors, no matter how they are caused.

Legal Jurisdiction

All disputes will be subject to jurisdiction of the Civil Courts at Ranchi city only.
