Date - 17th February 2022

Subject - Requesting Permission to changing the scheduled Solidworks Workshop to Aeromodelling Workshop from 4th March to 6th March at the Sports Complex and one football field. Time: 8:00 am to 6:00 pm

Respected Sir,
This is to bring to your kind notice that since the Aerospace Society already conducted a 2 day Solidworks workshop this year, the scheduled slot of 6th March for the same in the Club's Event calender is left.
Hence, we request you to kindly allow us to conduct an Offline Aeromodelling Workshop from 4th March to 6th March.
The workshop will be organized by the Aerospace Society and will be delivered by Team Taevas' mentor, Mr. Vibhu Mathur.
For this, the soceity would require the Sports Arena facility - Sports complex for assembling and adjusting the aircraft preflight, and the open ground of one football field for flying the aircraft, avoiding any casualty or damage to the institution's facilties.
The workshop will host the members of Aerospace Society and any other student who would like to participate.

We thank you in advance for your consideration.
Yours sincerely,

Arjun Raj

बीआईटी मेसरा कैंपस में रिमोट प्लेन उड़ाते छात्र।

रांची, प्रमुख संवाददाता। बीआईटी मेसरा के स्पेस इंजीनियरिंग एंड रॉकेट्री विभाग के छात्रों ने अपना पहला रिमोट कंट्रोल (आरसी) प्लेन शुक्रवार को उड़ा कर बड़ी कामयाबी हासिल की, साथ ही सफलतापूर्वक की इसकी लैंडिंग भी कराई।

यह प्लेन विभाग के अंतर्गत संचालित एयरोस्पेस सोसाइटी के 2018 और 2019 बैच के छात्रों ने बनाया है। शुक्रवार को जब इस आरसी प्लेन ने उड़ान भरी तो, कैंपस का नजारा देखने लायक था। छात्रों व शिक्षकों की खुशी का ठिकाना नहीं रहा। इस आरसी प्लेन को त्रियान पाल अरोड़ा, सौम्या गर्ग, शुभम मिश्रा, शुभम शेषांक ने बनाया है। इसमें मेंटर थे विभु माथुर और संकाय सलाहकार थे डॉ प्रियांक कुमार। इसको बनाने में दो सप्ताह का समय लगा। यह इलेक्ट्रिक पावर्ड माइक्रो क्लास यूएवी (मानव रहित हवाई वाहन) है। इसका वजन 775 ग्राम है और यह एक किलो से अधिक का पेलोड उठा सकता है।

बीआईटी मेसरा में 3 दिवसीय एयरो मॉडलिंग में उड़ान प्रशिक्षण

रांची. एयरोस्पेस सोसाइटी बीआईटी मेसरा की ओर से 3 दिवसीय एयरो मॉडलिंग वर्कशॉप का समापन हुआ। इसमें पायलटिंग एयरोमॉडलिंग, इन-फ्लाइट मुद्दों का विश्लेषण और प्री-फ्लाइट चेक-इन पर चर्चा हुई। उड़ान परीक्षण भी किया गया। इस अवसर पर रजिस्ट्रार कर्नल सुखपाल सिंह खेत्रपाल, डीओएसए डॉ. आनंद कुमार सिन्हा, डीएएसी डॉ. सुदीप दास, डॉ. दीप्ति प्रसाद मिश्रा, डॉ. प्रियांक कुमार आदि उपस्थित रहे। कार्यशाला का

मार्गदर्शन विभु नारायण माथुर ने किया। प्रतिभागियों को व्यावहारिक प्रशिक्षण दिया गया। फ्लाइट पर उड़ान लेने का अवसर भी प्राप्त हुआ।

DESCRIPTION :

Three days thrilling **Aero modelling workshop** was organised by Aerospace Society, BIT Mesra. Mr. Vibhu Mathur, a professional aero modeller was invited as a mentor and trainer for the session. The workshop consisted of Flying session training, virtual flight simulation training, technical inspection of UAV and an Aero modelling workshop comprising key tips for an aircraft to be air-worthy.

The flying session was an extremely enriching experience and attracted lot of eyes to the event. Also it duly made its place on media coverage. Finally the session was concluded on last day with felicitation ceremony in which our faculty advisor gifted a Jharkhand's native art to our guest as a token of appreciation.

DAY 1,2(10th,11th September)

The very much awaited webinar was held on the 10th, 11th and 12th of September. On the first day, the webinar was honoured by the presence of Dr. Partha Mondal. Ph.D. (IISc. Bangalore) He has been the research associate for various projects. He is from the department of space engineering and rocketry. Currently a professor at Birla institute of Technology, Mesra.He enlightened us with his valuable knowledge on computational fluid dynamics. He taught us the process of mathematical modelling a physical phenomenon involving fluid flow and solving it numerically using computational prowess.

Faculty Advisor: Dr. Priyank Kumar President: Arjun Raj

DAY3(12th September)

The next day was taken up by Dr. Devabrata Sahoo who introduced us to Ansys fluent. He has more than 8 years of research experience and has been an assistant professor in Aerospace Engineering. The software exceeds and gambit was used to for the proper understanding of the topic. The three-day webinar came to a successful end leaving behind a good amount of knowledge about computational fluid mechanics and ansys fluent. Students have highly benefited from it. Thanks to everyone who cooperated and helped directly as well as indirectly.

A *CAD workshop on SolidWorks* was conducted by the Aerospace Society, Birla Institute of Technology, Mesra for the k19s and k20s new recruits of the club. It was a two day, three hours session, workshop led by the senior members of the club. There were 50 attendees in the webinar consisting of undergraduate and postgraduate students from different departments. The main objective of the workshop was to give students hands-on experience with industry grade software. All workshop attendees were provided with the software and the essential reading resources.

DAY1(13th AUGUST)

The session started with the basics of the software, to acquaint the participants with the necessary information such as planes, origin, sketching of various kinds of objects like lines, perimeter circle, corner rectangle and polygon and techniques like mirroring, trimming entities, linear and circular sketch patterns were explained. Then a part called drive coupling element was designed. Further light was thrown on vital parameters like addition of linear sketch pattern, basics of filets function, basics of extrude function, and etc. The webinar was concluded with clearing the doubts of the attendees.

DAY2(14th AUGUST)

The second session started with a quick recap of the previous session and then the participants were taught how to assemble different parts. Further they were tutored on different topics such as the difference between chamfer and filet, mating of different parts with respect to other parts. Some other complex assemblies like an arm gripper were also discussed. Lastly, the toolbox features, their functionalities, some insights about how to work on the appearance and how to present the final assembly were very well explained by the senior members of the Aerosoc team. The Workshop was winded up by taking feedback from the students, discussing future prospects of the software and other miscellaneous topics.

The Aerospace Society of Birla Institute of Technology, Mesra on 26th September, 2021 at 6:00PM, organized the webinar of Aero Talk series. The topic of the webinar was Evolution and Progress of Aviation. There were more than 50 attendees in the webinar consisting of undergraduate students from different branches of engineering. The speaker of the event was **Mr. Raghu Upadhyay** who holds B.Tech and ME degrees in Aeronautical Engineering from IIT, Kharagpur and Indian Institute of Science, Bangalore respectively, and a PhD from Cranfeld Institute of Technology (now Cranfeld University), UK on a Commonwealth Fellowship from the Govt of UK. He also served as a Scientist at the CSIR – National Aerospace Laboratories was also closely associated with the Aeronautical Research and Development Board. He has served and continues to serve as Chairman/Member of various Technical/Review Committees of DRDO, ISRO, DST, MEITY, ADA, IITs, and IISc etc.

Faculty Advisor: Dr. Priyank Kumar President: Arjun Raj
URL: Contact: 8969874962

The session started with an initial discussion on the basics of RC airplanes. He then thoroughly explained about the construction and flying of RC Aero models and the key factors that should be kept in mind while constructing an RC airplane. He also explained briefly about topics like measurement of fight velocity & standard atmosphere, anatomy of airplane and aerofoil nomenclature, generation of lift and drag, the

Aerodynamic centre etc., that plays a very significant role in construction and flying of an Aero model.

The discussion was concluded by clearing the doubts of attendees. It proved to be a very interactive and beneficial session for the attendees. The meeting was brought to an end with a vote of thanks from the president of the club, Arjun Raj on behalf of Aerospace Society and feedback of the webinar was taken from all the participants at the end of the session.

A discussion on preliminaries in Designing Different Aircrafts was held on 23rd August by the Aerospace Society of Birla Institute of Technology, Mesra under the counsel of Dr. Priyank Kumar, Professor in charge of Aerospace Society. The elocutionist of the event was Vibhu Mathur. He is a scientific researcher in the field of Aerodynamics. His areas of research interest broadly include high-speed flows, high-speed imaging, image processing, noise reduction, supersonic gaseous mixing and advanced optical flow diagnostics. There were more than 50 attendees in the webinar consisting of students of PhD, undergraduate and postgraduate from different departments such as Space engineering and rocketry, Mechanical, Production, Chemical, etc.

He talked about the vital parameters such as Mission profile, Thrust to weight Ratio, Lift to drag ratio, wing loading etc. and went on to describe each of the parameters in the following

Faculty Advisor: Dr. Priyank Kumar President: Arjun Raj
URL: Contact: 8969874962

discussion and even compared different aircrafts and birds to give us a clear understanding and importance of these parameters based on the requirements i.e. T/W ratio helps in climbing flights so for Space Shuttle the T/W ratio is higher compared to Airbus A380. He even gave us an example to explain the importance of these parameters by the infamous landing and take-of of B747 Saudi Airlines in which the pilot had mistakenly landed the fight at the Indian Air Force runway instead of Chennai International Airport. The runway of this airport was smaller compared to the runway required by the jumbo jet so the wing loading (changes in wing loading affect take-of distance) had to be lowered to maintain the length of the runway, which was done by removing extra weight from the fight. The discussion was concluded by clearing the doubts of the students which included future careers in the aerospace industry.

He motivated us saying that the aerospace industry is not just limited to aeronautics and aerodynamics, but in fact is an interdisciplinary industry which includes engineering branches like mechanical, chemical, electronics, electrical; and anyone can contribute while working on their respective fields.

ACTIVITY REPORT (2021-22)

ABOUT US

News and Publication Society organizes and conducts various journalism-centric and writing-based events wherein students are given opportunities to hone their critical thinking ability and enhance communication skills that are very much needed in the corporate world. All of these events require a diligent analytical mindset with regards to issues of national and international importance and are followed by a transparent evaluation to ensure a healthy competitive spirit among BITians. As the official media club of BIT Mesra, the primary aim is to keep you updated and help you make the most of what your college has to offer you, while also helping you make informed decisions through the experiences of people who have been successful in some of the other walks of life. This is the fourth pillar of BIT Mesra which highlights the technical activities of students, student bodies, and departments at local, national, and international levels with the support of online social media and media houses.

a) Endeavouring to bring about general awareness among individuals to help them become responsible citizens of tomorrow.

b) Bridging the gap between the students and the administration continues to ensure that information is easily accessible to everyone.

c) Inducing curiosity among the students about global affairs by releasing opinionated editorials and articles on a regular basis.

d) Fostering and promoting the spirit of journalism among the students.

LET THE TRUTH PREVAIL

The Daily Herald

Springfield, Ohio — 13th December, 2005

Springfield police calls dead woman's case 'odd', smudged documents found all over the crime scene

On 12th December 2005, Aaron, a 12-year-old kid suffering from autism, came back from his school and found piles of paper thrown here and there and a few pieces lying around the house, with his mother, who was the principal at a renowned school, St. Stephens, to be missing. The tablecloth had creases, and there was also water on an official document thrown out of a folder, resulting in the lettering present on the paper getting smudged, making it hard to decipher.

The police were informed by Lucas, a resident of Springfield and their neighbor, when his dog, a beagle, sniffed something strange in Aaron's garden, which on investigating was found to be a buried dead body. The body was none other than that of Aaron's mother.

It was found that the family barely talked to their neighbors. Aaron's dad, David, worked at an investment bank, and he was always in business meetings with one of his clients. He'd rarely be home. His business had been fairly doing good, but recently, it had been undergoing some substantial decline, leading to some money problems. The bond between Aaron's mom and dad wasn't particularly good. A housemaid used to come regularly to do basic chores in the morning for five days a week. The house-gardener used to come to pull out the weeds and plant a few new saplings. The last time the family interacted with a neighbor was when they had borrowed a large sum of money from their neighbor Lucas, saying that they were badly in need of money for Aaron's grandmother's treatment. The family didn't get along well with the other neighbors as they somehow didn't like the aura of Aaron's mother and father.

Notice

New Amendment act in St. Stephen's may lead to withdrawal of many students from ethnic minorities and low socioeconomic status and backgrounds. The principal has declared to the press that this amendment will come to effect from 13th December, 2005.

Aaron's mother's younger sister, Sheina was married off to Samuel and was living in a town 20 km from their house. They would come to visit them on the weekends. Two days before the disappearance, Sheina found Samuel present in Aaron's mother's house, which was odd. It is alleged that Samuel and Aaron's mother were having an affair. The morning of the incident, Aaron set out for school, as usual. His mother usually dropped him at school, but that day, their family driver, Adam dropped him. In the midst of the strain the crime department has been under, the team is digging deeper into the case and attempting to unravel the mysterious manner in which the body was discovered buried. Near the corpse, dust and sand were discovered, as well as a few ripped bits of cloth.

INDEPENDENCE DAY 2021

(14.08.2021-15.08.2021)

NSS, BIT Mesra celebrated India's 75th Independence Day on the 14th and 15th of August 2021, as India got its freedom from the centuries-old Colonialrule on the 15th of August 1947.

The fight to gain our Independence was long, difficult and cost many brave lives. Therefore, we observe this day, to celebrate the freedom we enjoy in ourcountry and also to acknowledge the long struggle that preceded it.

On the occasion of Independence Day NSS, BIT Mesra organised three events,on the 14th of August - "PRAVAD", the debate competition and on 15th of August - "HIND KI HIMMAT" and "QUIZ competition".

PRAVAD

Pravad, the debate competition organised by National Service Scheme, BIT Mesra, was held on 14th August 2021. It consisted of two rounds. Round 1 started at 10 A.M. All the participants were divided into five panels. Four panels focused on English orators and one for Hindi orators. Moderators for Panel 1,2,3,4, and 5 were Kevin, Asad, Pushkar, Anurag, Keshav, Sone Priya, Aditya Pandey, Aman Kumar, and Astha, respectively. Twenty finalists were selected from Round 1 based on creativity, speech delivery style, facts, and expressions. The participants were given a time limitof two minutes & thirty seconds.

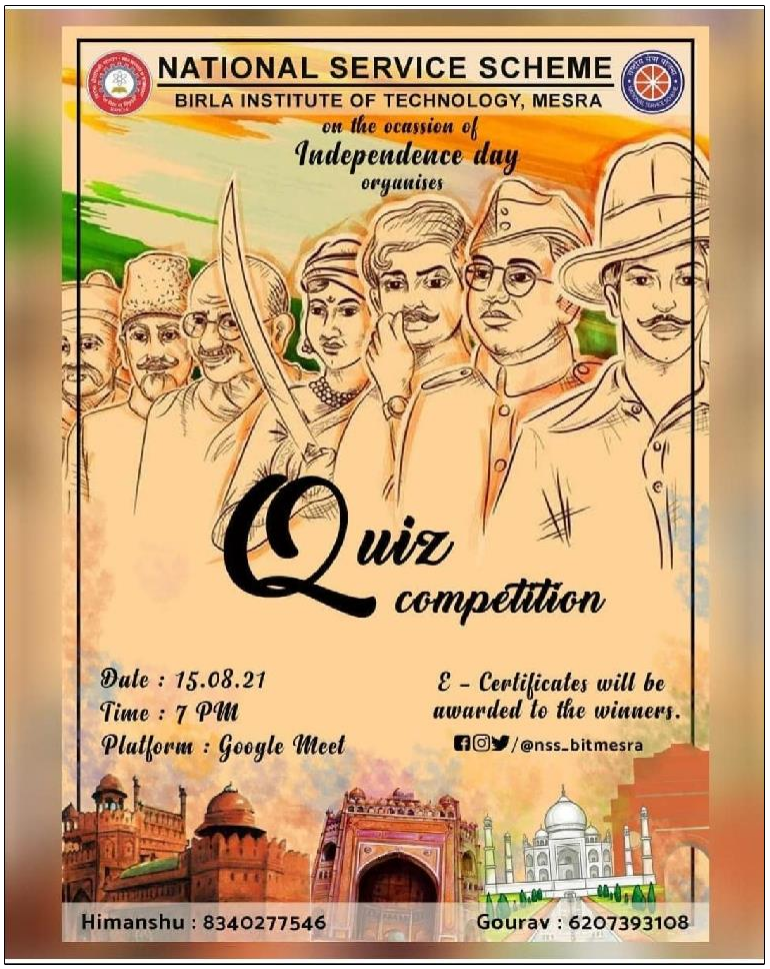

Twenty speakers were categorized into two groups for the final round— namely, FOR and AGAINST. Round 2 commenced at 4:30 P.M. The final roundwas moderated by Kevin, a k20 NSS executive member. The topic for the final round was "Has democracy succeeded in India?". After a nail-biting competition, first place was bagged by Tamanna [FOR group] and Yash[AGAINST group], second place was bagged by Anish[FOR group], and Lavisha[AGAINST group], and the third position was secured by Vasundhra[FOR group] and Adnan[AGAINST group]. The event was a great success with the combined effort of all the NSS executive members.

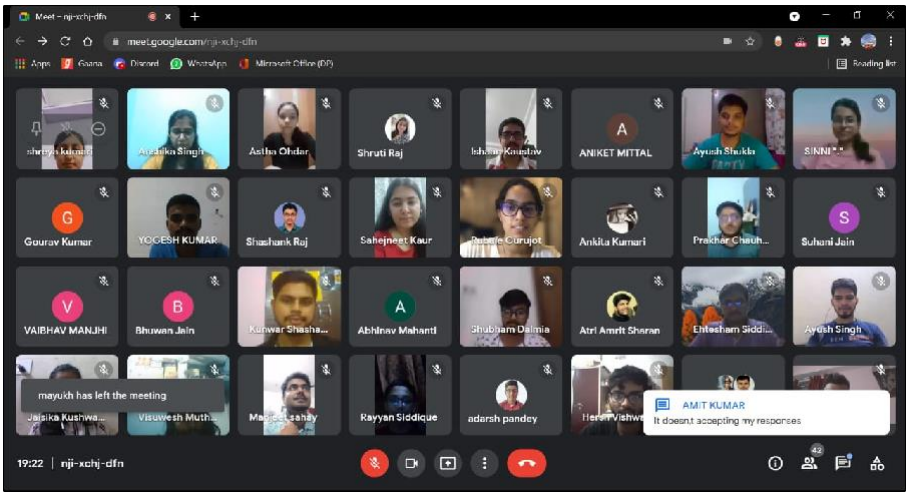

"HIND KI HIMMAT" & "QUIZ Competition"

On the occasion of Independence Day NSS, BIT Mesra premiered a video "HIND KI HIMMAT" at 10 A.M, from the YouTube channel-NSS BIT Mesra to commemorate the valour and spirit of the freedom fighters who fought for the independence of the nation from British rule and a Quiz competition was organised by executive members at 7:00 P.M, in which around 80 students participated.

On this occasion, the whole NSS, BIT Mesra applauded everyone's efforts which made the events a great success. Dean Student Welfare cum Chairperson Dr. Anand Kumar Sinha wished everyone and said, to salute those who fought for the independence of the country and dedicate themselves to the service of this great nation. Program Officer cum Program Coordinator Dr.

O.P. Pandey said that even if each of us decides to work with one problem of

our society we will see that we will be making great contributions to the nation.Student President Ujjawal Jha showed pride in being an Indian and said we should admire our fortune to have been born in the land of Independent India. Vice-President Pallavi Dikshit and Chandra Chud Rai along with other NSS Executives and NSS Volunteers pledged to serve the nation and take this country to the premiere seat in the committee of nations.

DESCRIPTION:

Republic Day commemorates the adoption of India's Constitution and the country's transition to a republic on January 26, 1950, when it became a sovereign nation free from British rule. To commemorate this occasion, NSS, BIT MESRA organized Pravad 2.0, a debate competition, on 26th January 2022. Participants were presented with an opportunity to verbalize their thoughts in persuasive and engaging ways on the matters of national concerns and emerging significance. The competition was held as a live event conducted on Google meet with the first round being held from 10 A.M. to 12 P.M. and the second round being held from 3:15 P.M. to 7:30 P.M.

For the first round, participants were divided into subgroups as per the total number of candidates and a total of 5 different topics were given to them to choose from. Those who qualified from Round 1 were divided into two groups (For and Against the Motion) and a Google doc was circulated wherein a topic was given and participants had to select their stance which solely depended on a first come first serve basis. When a team completed their speech on the topic, the other team was presented with an opportunity to question them. The event was really enthralling and captivating and kept the participants and audience engaged throughout its course. This event, meticulously planned out by the executives proved out to be a huge overall success with over 125 people in attendance. All the participants performed exceptionally well and presented their point of views and thoughts in a well-organized manner, learning and sharing new information along the way. Overall, the event succeeded in instilling emotions of patriotism and responsibility and fostering compassion and a sense of duty towards the country amongst the students.

The winners of the event are as follows :-

For the motion:
1st- Akshat Raj Sharma
2nd- Aryan Raj
3rd- Akshay Kumar

Special Mention:

DESCRIPTION:
NSS, BIT MESRA organized an interactive session on Food, Planet and Health on 13th of February,2022 .The Speaker for the webinar was Komal Tehlan (Outreach Coordinator at Vegan Outreach, India) who discussed about the impact of food choices on our health, our environment and animals .She shared her perspectives on the vegan diet and how we can follow that in our everyday way of life. She also said that dietary choices—the types and amounts of foods that individuals consume—are a major determinant of human health and environmental sustainability. She also discussed that people following the vegan diet need to be aware of obtaining certain nutrients, including iron, calcium, and vitamin B-12, which usually come from an omnivorous diet. Number of students including the Executive body took part and made this session an interactive and successful with 50+ participants.

DESCRIPTION:

Donating blood is one of the greatest ways to help humankind. By doing so, we save someone's precious life, and that is a blessing in itself. On this note NSS, BIT MESRA organized a Blood Donation Camp at Bit Dispensary ON 13TH March from 9 am - 4 pm. Maa Rampyari, Raj, Medanta, Sevasadan in collaboration with the blood bank of India were the hospitals that came for the collection of blood. VC Indranil manna, AGM Bikram Mishra of the bank of India were the chief guest for this camp. Many people including the NSS volunteers joined hands in this noble cause and donated blood. A total of 250 plus units of blood was donated. Also, a free health camp was organized to check whether they were eligible for blood donation. After donation donors were provided with Medals, Certificates, and goodies.

DESCRIPTION:

Photography is the avenue that enshrines nature and its nonpareil beauty in the most untainted way. Taking pictures is savoring life intensely every hundredth of a second. For decades, this universal language has fascinated stupendous galleries of photographs and has played an indispensable role in conjoining us with our history in most efficacious manner. With an augmenting incentive to provide a marvelous rostrum to the budding photographers to meliorate their adroitness in this field, the Photographic Society of BIT Mesra escalated the fervor by conducting the online Basic photography workshop for 2020 batch from 23rd of July to 27th of July 2021.

About 100 students joined this five-day session. They were taught everything they needed to know about getting started with doing photography. The attendees learnt the "secret sauce" which would magically enhance their photographs. Students were provided with technical knowledge of photography.

Overall, the attendees were perfervid to learn about the art of photography.

DESCRIPTION:

Photography is the avenue that enshrines nature and its nonpareil beauty in the most untainted way. Holding a camera and capturing beautiful moments around you is a different feeling that is hard to describe. For decades, this universal language has fascinated stupendous galleries of photographs and has played an indispensable role in conjoining us with our history in the most efficacious manner. With an augmenting incentive to provide a marvelous rostrum to the budding photographers to meliorate their adroitness in this field, the Photographic Society of BIT Mesra escalated the fervor by conducting the online workshop as a part of the online event Utkrisht -Prakrisht on 24th October 2021.

The workshop eventuated virtually over Google Meet with an awe-inspiring assemblage of 70 participants. It was conducted under the expertise of Mr. Shaon Pritam Baral who is a well-decorated Travel and Wildlife Photographer. The session began by edifying about the basics of photography which consisted of Shutter

speed, ISO, Aperture, the three main pillars of photography. Although the event could not avail the benefits of physical embellishments it did not fail to charm the multitude with its magnetic efficacy. In parallel with the ongoing session, the comment section was flooded with praises by the attendee. Along with the workshop, there was a QnA session at last where participants asked several questions about photography. The enthusiastic response from the viewers of the event was astounding.

The mentor, Mr. Shaon Pritam Baral gave many valuable tips to budding photographers that would take their work to finesse. The highly illuminating workshop ended at 1:00 P.M with the display of a myriad of eye-catching photographs that spoke for themselves.

participants. Google Meet was the online platform for the workshop. The session began by edifying about the basics of photography which consisted of types of cameras, working of DSLR camera, its structure and components, focal length of different cameras. After that the three main pillars of photography Shutter speed, ISO, Aperture were discussed. Although the event could not avail the benefits of physical embellishments it did not fail to charm the multitude with its magnetic efficacy. In parallel with the ongoing session, the comment section was flooded with praises by the attendee. Along with the workshop, there was a QnA session at last of each day where participants asked several questions about photography. The enthusiastic response from the viewers of the event was astounding.

The workshop ended on the 16th February,2022. The attendees got so much of knowledge about photography and PSOC mentors got positive reviews. Photographic society of BIT Mesra is seeing forward to conduct these photography workshops in future.

DESCRIPTION:

Photography is the avenue that enshrines nature and its unparalleled beauty in the most untainted and pristine way. Photography takes an instant out of time, altering life by holding it still and savoring it intensely. A camera is like a sketchbook that serves as an instrument of intuition and spontaneity and allows one to truly fathom and harness the power they hold. To nurture the art of photography among the students, the Photographic Society of BIT Mesra organized the Advanced Photography Workshop cultivating and advancing their

skills in photography enabling participants to furnish their photography talent vivifying the utmost of their potential. With an augmenting incentive to provide a marvelous rostrum to the budding photographers to meliorate their dexterity in this field, the Advanced Photography Workshop was organized with the best of motives in its full glory from the 25th of March to the 29th of March, 2022, and witnessed great zeal and enthusiasm from the participants. The universal language of photography has fascinated stupendous galleries of photographs ever since its inception and has played an indispensable role in conjoining us with our history allowing us to appreciate all that around us in the most efficacious manner. This exhilarating five-day session was joined by about 50 students. As the session proceeded, the fervor and interest of the participants only leapt greater bounds.

Participants were taught everything important to advance their knowledge and latent talent surrounding photography. Students were taught valuable concepts in photography such as metering, histogram, exposure bracketing, and creating HDR images. They were also taught close-up ad macro photography. There was also a QnA session at the end wherein the participants asked a lot of questions with a lot of room open for discussion and doubt clarification. They learned the various tricks and techniques to admirably enhance their photographs. Also, they were provided with immense technical knowledge surrounding photography. Overall, the attendees were perfervid to learn in depth about the art of photography and the workshop proved to be a highly successful and insightful one.

DESCRIPTION: (APPROX 100-150 WORDS):

Machine Learning Workshop was organized by Robolution in collaboration with

Techcrypters, AN ISO 9001:2015 CERTIFIED COMPANY LEADING IN THE FIELD OF TECHNICAL TRAINING, WORKSHOPS, INTERNSHIP COURSES OF ROBOTICS, SOFTWARES, CODING LANGUAGES, TECHNICAL LAB SETUPS, ELECTRONIC COMPONENT SELLING, on 5th November and 6th November,2021.
The first day of the workshop covered mostly the basics of python to make the participants comfortable with various functionalities of python. Later, they were taught how to use a chatbot in the pycharm environment.
Day 2 of the workshop continued the chatbot functionality where we trained the chatbot simultaneously as we chat. Then the participants were explained various other ML models using python like digit recognition model, voice command listener bot and tic-tac-toe player bot.
They were also familiarized with various libraries and packages like TKINTER, NUMPY, GTTS ,SMTP.LIB along the course.

Robolution students explaining the working of compressor	

DESCRIPTION: (APPROX 100-150 WORDS):

Gateway to Robotics workshop was organized for K21 students (First Year) to introduce them to the concepts of Robotics on 5th March (4p.m. to 7.pm.) and on 6th

(6 p.m. to 9 p.m.). The workshop was organized through google meet and witnessed a participation of around 60 students.
In the two-day workshop, the first day covered the concepts of embedded systems where students were taught everything starting from the definition of a robot to using microcontrollers and concepts of building various robots. The next day covered the mechanical aspects of the robot including drive, chassis and various concepts such as pneumatics, balancing of drones, various gears and motors. They were also introduced to the features of simulation.

DESCRIPTION:

The "Moot Court", a formal 2-day courtroom-debating forum under our flagship event, Genesis'22, was held on 29th-30th January 2022. The preliminary round began at 4:30 P.M. via the Google Meet platform. As the discussion commenced, eager participants introduced themselves and presented succinct versions of their ideology until culmination at 7:00 P.M., when ten students advanced to the finale.
The final debate revolved around the topic, "Should Marital Rape be criminalized?" with Ms Aishwarya Shubhangi, Associate at Triad Law Chambers, and Ms Sakshi Mishra, Associate Advocate SS Rana, and Co. on the judicial bench. The competitors, now divided into two opposing factions, the prosecution and the defence, put forth arguments to prove their respective stances within an allocated time limit of 7 minutes each. The aureate event concluded at 5:45 P.M., with remarks from our esteemed judges, who had vast experience in public forums and thus an in-depth knowledge of the law, followed by the vote of thanks by Bhavesh Chaturvedi, the joint-president of the club.

several captivating performances, enthralling competitions, and the exquisite fiesta of dramatic creativity.

- Mr. Dalton has been the recipient of the famous Rajat Kamal award at the 61st National Film Awards and many other honorable accolades. He is highly committed to filmography and awareness-related initiatives highlighting various important issues with an inclination towards making a change.
- The film 'Spring Thunder' is one of his recent and best works which depicts the narrative of a Uranium mining tender at India's highest plateau, covered with dense forests and populated by numerous native groups, telling the fight between 'Sustainability' and 'Development' in the backdrop of rural India. It is based in the Chotanagpur plateau in the state of Jharkhand.
- After the screening of the movie, the session was then followed by a candid interaction and Q&A session with the audience. Mr. Dalton talked about his film and mentioned that it has been released on YouTube as well. When the film got released, there was discussion about it in the whole city and a major emphasis was laid on publicity. He set a target for 3 lakh people to see the film. He encouraged people to watch it and support it. He particularly targeted Firayalal Chowk in Ranchi. Many people were invited and many people recommended others to watch it. It has achieved an Imdb rating of 9.5.
- He is the founder of Netarhat Film Institute which uses short films to educate people about the pressing issue of water scarcity and encourages people to save water. He is highly concerned about water, forest and land so he thinks about their betterment. He calls it the nature of thought.
- The session finally culminated with the vote of thanks by the members of the Ehsaas Dramatics Society who expressed their gratitude to Mr. Sriram Dalton for gracing the event with his presence.
- Thus, the audience were able to witness the dramatic capability of one of the finest directors and filmmakers in the world. The best of tragedy, drama and cinematic portrayal was brought forth for the audience to join together and revel in this extravagant evening of creativity, thrill and entertainment.

Day-3

- Day-3 of the event "Kashish", organised by the Ehsaas Dramatics Society commenced at 1:00 P.M. with a stand-up competition "Humorously Yours," via the online platform Google Meet.
- The judge for the event was Prajjawal Pandey, alumni and a Ranchi-based comedian. Each participant was allocated a time limit of five minutes to present their performance.
- The event witnessed the participation of humorists from various institutes across the country. Samridhi Khanna, BIT Mesra, Chetan Garg, PGDAV Evening College, Karishma Kataria, Bharati College, and Rutkar Bhatt, BIT Mesra, showcased their talents and rolled the audience into an enormous belly laugh.

- सत्र के अंत में एहसास ड्रामेटिक्स सोसाइटी के सदस्यों द्वारा धन्यवाद प्रस्ताव दिय गया जिसमें श्रीराम डाल्टन को उनकी उपस्थिति के साथ कार्यक्रम की शोभा बढ़ाने के लिए भी आभार व्यक्त किया।
- इस प्रकार, दर्शक दुनिया के बेहतरीन निर्देशकों और फिल्म निर्माताओं में से एक की नाटकीय क्षमता को देखने में सक्षम थे। रचनात्मकता, रोमांच और मनोरंजन की इस असाधारण शाम में दर्शकों को एक साथ जोड़ने और आनंद लेने के लिए सर्वश्रेष्ठ त्रासदी, नाटक और सिनेमाई चित्रण प्रस्तुत किया गया था।

दिवस 3

- एहसास ड्रामेटिक्स सोसाइटी द्वारा आयोजित कार्यक्रम "कशिश" का तीसरा दिन दोपहर 1:00 बजे ऑनलाइन प्लेटफॉर्म गूगल मीट के माध्यम से स्टैंड-अप प्रतियोगिता "ह्यूमरस्ली यॉर्ज़" के साथ शुरू हुआ।
- इस कार्यक्रम के निर्णयकर्ता प्रज्जवल पांडे, पूर्व छात्र और रांची के कॉमेडियन थे। प्रत्येक प्रतिभागी को अपना प्रदर्शन प्रस्तुत करने के लिए पांच मिनट की समय सीमा आवंटित की गई थी।
- इस कार्यक्रम में देश भर के विभिन्न संस्थानों के हास्य कलाकारों की भागीदारी देखी गई। समृद्धि खन्ना, बीआईटी मेसरा, चेतन गर्ग, पीजीडीएवी इवनिंग कॉलेज, करिश्मा कटारिया, भारती कॉलेज, और रुतकर भट्ट, बीआईटी मेसरा ने अपनी प्रतिभा का प्रदर्शन किया और दर्शकों को खूब हंसाया।
- प्रदर्शनों के बाद, निर्णयकर्ता ने एक शानदार कार्यक्रम के लिए कलाकारों, उनके वक्तृत्व और पटकथा-लेखन कौशल की सराहना की।
- कार्यक्रम "स्ट्रीट प्ले" शाम 6:00 बजे संस्थान के आईसी एरिना में शुरू हुआ।
- कार्यक्रम की शुरुआत एसोसिएट डीन ऑफ स्टूडेंट अफेयर्स प्रो. के. श्रीधर पटनायक और एहसास ड्रामेटिक्स सोसाइटी के फैकल्टी एडवाइजर डॉ संदीप कुमार सिंह के स्वागत से हुई।
- इसके बाद भारत में चुनावी राजनीति पर आधारित "नुक्कड़ नाटक" का आयोजन किया गया, जहां लगभग 24 प्रतिभागियों ने अपने उल्लेखनीय अभिनय कौशल का प्रदर्शन किया और दर्शकों को मंत्रमुग्ध कर दिया।

DESCRIPTION:

Mr. Shivlal Sagar is the director of Jharkhand Sanskritik Manch and professor of dramatics at Karim City College, Jamshedpur. Mr. Sagar has been actively doing theatre since the 80s and is known to have worked in films like MS Dhoni- The Untold Story.

Having a conversation with an intellect like him was a privilege for the members of Ehsaas Dramatics Society. Mr. Shivlal at first involved the students in a few exercises for relieving stress and enhancing one's expressions while acting. He also shared with the students some of the fascinating stories related to his career and work. Writers of the club also received brilliant tips related to script writing imparted by Mr. Shivlal Sagar. The workshop was able to enhance the knowledge as well as expand the views of the young, aspiring actors of the club and we look forward to further workshops like

DESCRIPTION: (APPROX 100-150 WORDS):

The objective of the event:
Learning about how to constantly test and validate one's product and deliver it into the customer's hands in the minimum possible time with best quality.

Benefit in terms of learning/ Skill/ Knowledge obtained:

○ The webinar primarily elaborated on start-ups and the various aspects related to it.
○ The webinar was quite helpful in gaining basic knowledge about innovative and sustainable ideas for start-ups and their execution process.
○ Mr.Ashutosh Kumar discussed the distributions that one should make to size the customer base in 'Lean Start-up' and its sample size formula. He also discussed how to decide the formula of distribution and its application.
○ The webinar helped us gain a clear vision about developing a viable and sustainable product, the criteria, and the minimum public needs that the product should meet.
○ Many Questions from the attendees were entertained and were surely answered with great knowledge. Answers were very helpful to the others as well , who enjoyed the workshop thoroughly.

DESCRIPTION: (APPROX 100-150 WORDS):

a. Objective of the event: To give a glimpse to all the participants about how APIs and computer science is changing the way stocks are tradedin the market.

b. Benefit in terms of learning/ Skill/ Knowledge obtained: Students were introduced to the world of Application Programming Interface

by the Head of Digital Initiatives of Angel Broking, Mr. Raghava Bs. The viewers were presented with an amazing presentation explaining to them the rise of the use of APIs in the Indian Stock Market. This webinar also piqued the interest of many viewers because for the first time they learned from an industry expert how technology was changing the way financial markets work.

The presenter also put forward his facts starting from the fundamentals of trading which also helped many beginners. Several developers got the opportunity to learn the use of back-end and APIs in fintech companies. Mr. Raghava also explained various projects of Angel Broking focused towards emerging technologies and supporting start-ups in expanding their business. There was also a very interactive Q&A session at the end of the presentation in which many people were able to further dive into the topic and expand their knowledge. Overall, the session was very successful as well as interactive and further developed the relationship between our E-cell and our partner Angel Broking to pave the way for many more fantastic webinars.

Entrepreneurs Bay - BIT's only entrepreneurial community! It gives us immense pleasure, at Entrepreneurship Development Cell, BIT Mesra, to welcome everyone to Entrepreneurs Bay. Entrepreneurial communities are online communities where entrepreneurs can connect, share ideas, and offer advice. They can be a leverage point for businesses that are just beginning to get off the ground and help provide guidance, mentorship, and assistance to those looking to grow. These communities are for current entrepreneurs, solo entrepreneurs, serial entrepreneurs, and those entrepreneurially curious. Entrepreneurs Bay is where we all come in to create a culture of sharing knowledge about anything and everything under entrepreneurship, where we share our struggles, provide help, bring in new perspectives, and offer advice to those who are looking for

DESCRIPTION: (APPROX 100-150 WORDS):

Entrepreneurship development cell, BIT Mesra conducted successfully Gulf of Entrepreneurs to encourage a group of students who aspire to become successful entrepreneurs. For the event, participants were allowed to be present in a group or as an individual. Participants were provided corporate case studies that were to be solved. Coming up with different aspects to proceed with a successful journey is a prerequisite. The cell aims to develop ideas and approaches to solve a particular problem. Sharing of ideas is also one major thing as a healthy discussion always leads to a good conclusion. Gulf of entrepreneurship was one such event where ideas and approaches were the key aims to foster.
Entrepreneurship Development Cell is where one not only competes for competition but also creates a culture for the upcoming entrepreneurs. Creating a team, culturing ideas, providing help and succeeding is one habit that we crave here.

DESCRIPTION: (APPROX 100-150 WORDS):

a. **Objective of the event:** To educate people about the challenges and constant failures faced by entrepreneurs like how, when and why to start-up, how to get funds, etc along the path of Entrepreneurship,

b. **Benefit in terms of learning/ Skill/ Knowledge obtained:**

Mr. Jain is a dynamic personality and has hands-on knowledge of Entrepreneurship and its related challenges. He has great experience in the start-up pool. At a time when India is seeing a substantial and robust rise in the number of Unicorns, students across the country are more than ever interested in Start-ups and Entrepreneurship. Along the path of Entrepreneurship, entrepreneurs face a lot of challenges and constant failures like how, when and why to start-up, how to get funds, etc. These were some of the hindrances which was acknowledged by our honourable guest.

DESCRIPTION: (APPROX 100-150 WORDS):

DAY -1

● The Institution's Innovation Council of BIT Mesra, in association with Entrepreneurship Development Cell (EDC) and Finance Club, organized the two-day event, BIT NISHAN (Neoteric, Intelligent, Scientific, Harmonious, Adaptive, Novelty), from 23rd-24th October 2021.
● BIT NISHAN is the first-ever initiative of its kind to provide seed funding to home startups run by students and faculty of BIT Mesra (and off-campus).
● The event commenced at 5:15 P.M. on 23rd October, 2021 and was inaugurated by the Vice-Chancellor of BIT Mesra, Dr. Indranil Manna, among the presence of the other dignitaries.
● Dean of Research, Innovation & Entrepreneurship, Dr. C. Jeganathan, presented the
welcome address, followed by the Dean of Student Affairs, Dr. Anand Kumar Sinha's talk on BIT NISHAN.
The event was followed by an introduction of the judging panel.The judges included some eminent names like Mrs. Nivedita Jena - Nodal officer of the Startup Odisha at ILS, leader, researcher and a renowned name in the startup ecosystem of India. Mr. Gyanendra Nath – Director of HAGS Enterprise Pvt Ltd, Former Senior Vice President and Project Owner at Balasore Alloys Ltd and former Vice President at Jindal Steel and Power Ltd. And Dr. Anup Kumar Srivastava – Managing director of Aspen Research Services Pvt Ltd., member of National Accreditation Board of Education and Training and Quality Council of India. The experts also included members of faculty from BIT Mesra; the comprised the executive committee of BIT NISHAN.
● The team officials were then introduced and gave a brief account of their ideas. More than 30+ ideas were presented in the first round of the event, out of which the top 20 ideas will get the opportunity to pitch.
● The event concluded with the Organizing Secretary of BIT NISHAN, Prof. Vishal H. Shah, conveying the vote of thanks.

DAY - 2

● The Institution's Innovation Council (IIC), BIT Mesra in association with the Entrepreneurship Development Cell (EDC) and Finance Club, conducted the final round of BIT NISHAN on 24

th October, 2021.

● The event commenced from 10:00 A.M., in offline mode at the R&D building of BIT Mesra campus and online on the Google Meet platform.
● Prof. S. Konar (B.M. Birla Institute Chair Professor) presided over the closing ceremony as the chairperson. Other keynote speakers included Dr. Anup Kumar

Srivastav, MD, Aspen Research Services Pvt. Ltd., Mr. Gyanendra Nath, Director HAGs Enterprise Pvt. Ltd., Dean of Student Affairs, Dr. Anand Kr. Sinha, Convenor of BIT NISHAN and Dean of Innovation, Research and Entrepreneurship, Dr. C. Jeganathan. They stressed on the importance of financial viability and scalability of an idea while appreciating the innovative young minds for their wonderful presentations.

● The event aimed to provide seed-funding to early-stage start-ups initiated by students and faculty members of BIT Mesra (and off-campus).

● Out of 34, 19 teams were shortlisted for their unique ideas, and each team was allocated 15 minutes to pitch and present their ideas, followed by questions from the judges.

● The event witnessed the proposal of an array of ideas ranging from Ed Tech, AI-based healthcare and diagnostics, internship, and placement platforms to stock market solutions and apps that aimed at simplifying travel and transit.

● The event culminated at 4:40 P.M. with a vote of thanks by the Faculty Advisor of EDC and Organizing Secretary of BIT NISHAN, Prof. Vishal H. Shah.

On the occasion of Energy Conservation Day, Environment Protection and Awareness Club (EPAC) conducted a webinar with Mr. A. Anil Kumar

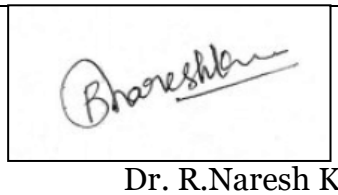

DESCRIPTION: (APPROX 100-150 WORDS): On 14 December, 2021 a webinar was being organized by ENVIRONMENT PROTECTION AND AWARENESS CLUB (EPAC) on the occasion of International Energy Conservation Day. The speaker of the webinar was renowned environmentalist Mr. Akhilesh Anilkumar. The webinar started at 12 PM and ended at 2 PM. We had a very interactive session with the speaker, where the speaker shared the experiences of his life and asked quite a number of questions which were answered by our audience. The speaker talked about the various ways to conserve and take care of the resources. Finally, a questionnaire was arranged, to which our speaker answered very gracefully.

The inaugural ceremony of the Finance Club, BIT Mesra was held on 5th April 2021 at 11:00 am. The opening ceremony commenced with our host, Ms. Sharanya Jha, welcoming our Chief Guest **Sri Atanu Pan**, **General Manager, Security Exchange Board of India -ERO**, esteemed dignitaries and faculty members from BIT MESRA. The event witnessed the participation of 150 students from diverse engineering and management backgrounds. The ceremony was conducted on MS Teams platform. The Club was officially launched by our revered Chief Guest and the curtains unveiled in the online mode. Our chief guest delivered his welcome speech on how SEBI aims to provide financial security to its investors and the importance of learning finance as a subject and using it as a tool in our day to day lives to attain financial stability after a keynote address by our Associate Dean, Dr. Sridhar Patnaik. We heard insightful ideas and garnered praise for our initiative from numerous faculty members namely Vishal Shah Sir (Associate Dean Alumni and International Relations), Dr Manju Bhagat (Professor, Department of Management) and from Dr.Vijay Nath, Associate Professor, Department of Electronics & Communication Engineering, BIT Mesra . The new website of Finance Club along with its various social media handles was elaborately explained and presented by Sharanya Jha and a PowerPoint presentation, highlighting our mission and vision were also a part of the grand event. The inaugural ceremony was concluded by our faculty advisor Dr. Anand Prasad Sinha and he has mentioned our path to success and future prospects for this society.

DESCRIPTION:

- **Finance Club** of BIT Mesra has splendidly conducted its very first event, ***Behind The Stumps, Into The Stats*** on 31st May 2021.

- The event was organized by the club's executive members: Tanay, Vibhu, Arpit, Aryaman & Sharanya under the guidance of the faculty advisor of the club, Dr. Anand Prasad Sinha.

- The event consisted of two rounds and saw an overwhelming response more than 600 registrations from 120 campuses including some renowned colleges like IIT Madras IIT Delhi, IIM Ahmedabad, IIM Shilong, ISM Dhanbad and other prestigious institutes for the first round.

- The First Round consisted of a quiz that carried MCQs to test player's punditry in IPL. Twenty MCQs were supposed to be solved within the time frame of 12 minutes.

- The top twelve participants within eight teams were nominated for their performance to advance for the final round.

- These Finalists were then given the chance to select their favorite IPL franchise based on their rank in the previous round.

- Round 2 was situational. This round was hosted on the Gmeet platform. K '19 & K' 20 members of the club were volunteering in this event along with the Executive members.

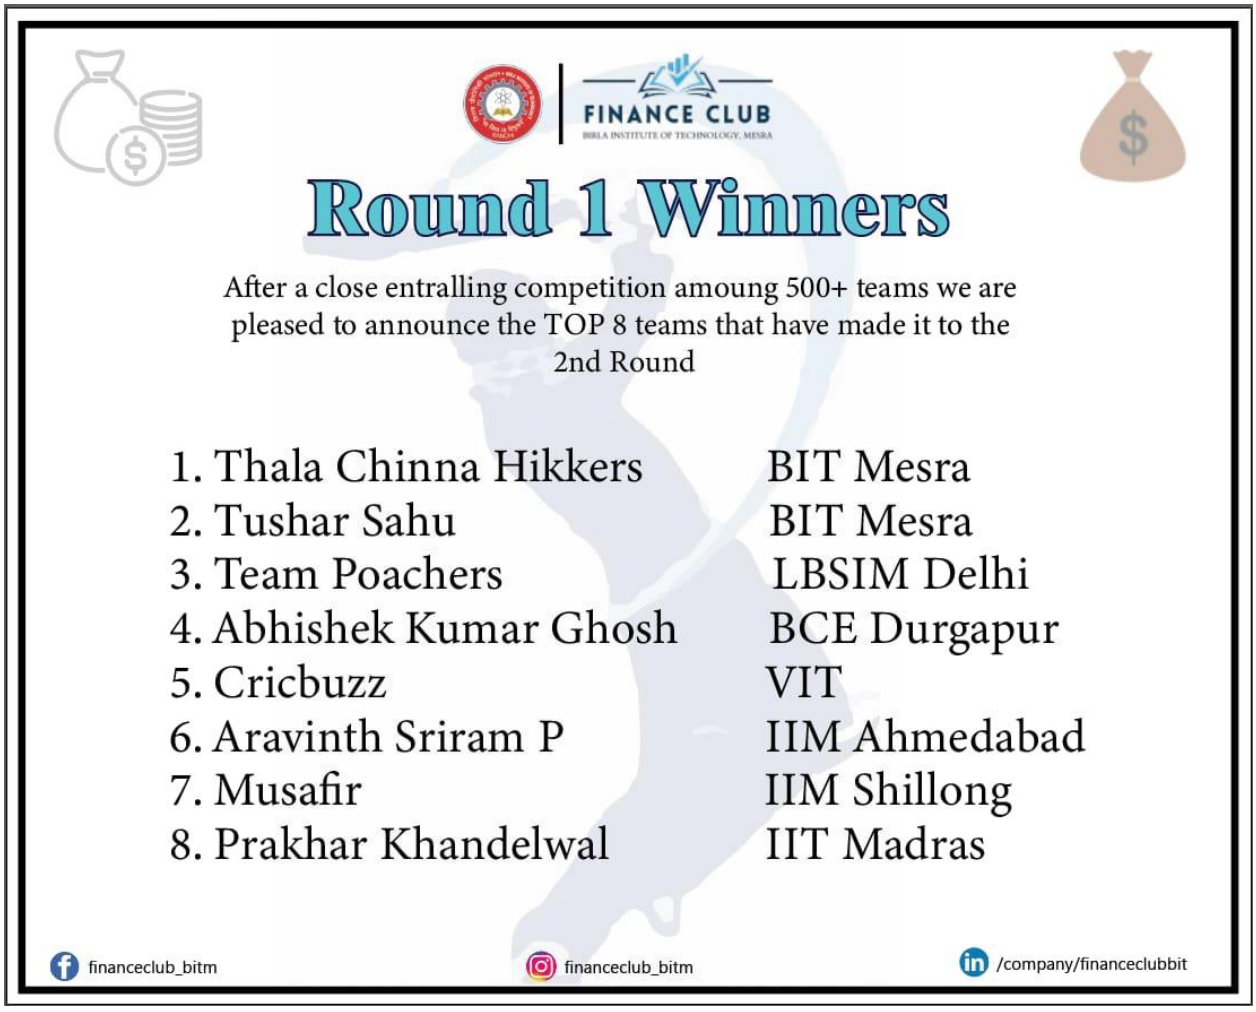

- All the eight teams joined the meet at 7 p.m. and they were provided four different cases in this round. Each case consisted of rapid-fire rounds in which the first team giving the correct answer was given the privilege to trade their player first according to the required situation.

- After four rounds, the organizers calculated the score of each team, and the team with the maximum score was declared the winner.

- The event concluded at 10 p.m. and all the participants who qualified for the final round were felicitated with certificates.

- The first position was bagged by Team MI, Followed by Team CSK and Team RR. Prizes were announced for these teams in the meet.

- Participants maneuvered the core ethics of business-like Supply and Demand, Trading, and Risk management through this event.

DESCRIPTION: (APPROX 100-150 WORDS):

The much-awaited webinar commenced on a formal note with the faculty advisor of The Finance Club Dr. Anand P Sinha delivering a warm welcome message for our resource persons, Ms. Adya Singh and Ms. Shruti Shree. In his impactful message, Sir encouraged the students to learn to the best of their capacity from our very knowledgeable resource persons, who also happen to be BIT alumni. It was followed by our

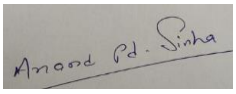

guests enlightening the students on the central theme of the webinar: "If there was a time to make a bet on India, there may not be a better time than now". The webinar touched upon topics like how this crisis took us forward by five years and which job is better: Govt or Private, given the ongoing crisis and challenges it poses. To supplement the understanding of attendees, a riveting video titled ' The future of work after COVID - 19 ' was also played. In the last segment, a live Q&A session was conducted. The engrossing webinar concluded with a Vote of Thanks by the host of the event, Hansika Chokhani.

A photo of the online meet of the workshop conducted over Google Meet	The poster for the workshop held on 2nd January 2022.

BASIC AUTOMOBILE WORKSHOP-

- The participants were initially taught about the basic parts of an ATV and elementary terminologies related to Automobile. Visual representations were used to assist the participants in learning clearly about various concepts.
- Further, the participants were educated about BAJA SAE and the type of work that is done by Firebolt Racing. This was then followed by a doubt-solving session where all the queries and doubts of the K21s were cleared.
- Finally, the announcement for the recruitment test was made.

CAD WORKSHOP-

- The participants were taught how to install the CAD software, followed by getting them familiar with the interface and basic design of a few components.
- It was an extensive workshop that provided a holistic learning experience to all the attendees.
- The workshop received a highly positive response from all the participants.

We successfully cleared the Safety Scrutiny test on the first day itself	The FRXII ATV gearing up for the brake test.

DESCRIPTION:

Firebolt Racing, the official off-road racing team of Birla Institute of Technology, Mesra, participated in BAJA SAE INDIA 2022 held in Pithampur, Indore. The event saw the participation of teams from 250 engineering colleges across India. The team has again proved its mettle by representing the college and bagging 3 podium finishes, eight-under ten ranks all over India, and a cash prize of Rs 35000, bringing accolades to the institute.

The team has shown impeccable performance in the sales presentation and were declared the national winners.

In the Raftaar event, they were awarded the first Runners award, and they were the second lightest ATV in the country, weighing 138.5 kg.

The next was the Acceleration event, wherein the team had the least time to run in a 120 meters track. The team stood third in the country and made us all proud.

In the Design event, the team came fifth and stood seventh in the Validation. The team's achievements also included completing the entire Endurance event of four hours and securing seventh position in the same.

The Overall Virtuals rank of the team was eight, and the Overall Static rank was ninth. The team stood thirteenth all over the country.

conducted by IEEE Student Branch BIT Mesra.

Kushal

KUSHAL SRIVASTAVA
Chairman,
IEEE, BIT Mesra

DR. VIJAYA LAXMI
Faculty Advisor,
IEEE, BIT Mesra

DESCRIPTION: (APPROX 100-150 WORDS):

IEEE Student Branch, BIT Mesra organized another edition of one of our Flagship events, Mega Project. Mega Project is a team event wherein the participants, with the help of mentors, bring their ideas into reality. It is a platform for students to how case their innovative ideas in working. During the initial phase of Mega Project, the participants worked on a project of their choice which could be from any domain of technology. Then a symposium was held, where the participants were given the opportunity to present their projects. This not only encouraged the participants to make something innovative but also taught them to present their work effectively.

The workshop was a joint collaboration between IEEE and IET student body. In this workshop we tried to build a foundation of programming and taught important topics of c/c++.
The workshop was aimed at introducing first years to the world of programming.
As a result the workshop was well appreciated by our juniors and with over 250+ participants attending the workshop in online mode, the workshop turned out to be more successful than we had anticipated.

Final Recruits

DESCRIPTION: (APPROX 100-150 WORDS):
It was a challenging and brain racking process in which 200+ students were asked to solve moderate level programming problems to show their programming skills. Based on their performance, several students were shortlisted and subjected to interviews in which their technical and analytical skills were put to the test. Out of the shortlisted candidates, a little above 20 candidates were finally selected and inducted into the club. The event was followed by an introductory meeting with the existing club members and executive body.

DESCRIPTION: (APPROX 100-150 WORDS):
It was a fun amalgamation of brainstorming and writing codes. The event was divided into multiple rounds.The first round was a Tech Quiz comprising questions from the domains of General Knowledge, Operating Systems, Data Structure, Algorithms and Debugging.
The participants had to write code using new programming languages using the official documentation. As a result, the workshop was well appreciated by our juniors and with over 250+ participants attending the workshop in online mode, the workshop turned out to be more successful than we had anticipated.

DESCRIPTION:

This was a small initiative taken by us at LEO Club, BIT Mesra to make everyone realize how important it is to help the underprivileged people of the society and how NGOs are working to make this place a better one.
This act of starting an awareness drive highlighting various NGOs and the work they do, byLEO Club, BIT Mesra was mainly to help the needy in any way we can, either by raising funds or by volunteering. No matter how small our help is, it can surely make a huge difference in other people's life.

Some of the NGOs LEO Club, collaborated with are:-

Vocal for local- An NGO based in Ranchi, founded by Shubham Rathore, mainly focused to promote local products, support young entrepreneurs and serve humanity.

Saheli- It was founded by a group of students with a vision to empower women, build asociety that is safe and to promote health and hygiene.

SpreadSmiles- Strongly believing in "We make a living by what we get, but we make a life by what we give", they work to put smiles on everyone's face and to bring positive changes in society with a mission to address the social and environmental causes of our society.

Saahas- Nature knows no waste" was the philosophy behind the foundation of Saahas in 2001 by Wilma Rodrigues. 'When waste is managed at source, it becomes a resource,' with this belief, Saahas has a vision of making India a leading Circular Economy where "Nothingis Waste."

Prattyancha- Established in October 2019, Prattyancha focuses on various projects like organizing campaigns and awareness programs on cleanliness, atrocities against women, and helping minors in rural areas.

DESCRIPTION:

Mystique was an enigmatic event organized by the club, which gave the participants a chance to flaunt their inner Sherlock. The tag line of Mystique was: "Truth will come out of the dark; lie cannot be hidden long." The event was a great success and saw a footfall of 400+ participants, including both BITians and Non- BITians.
Mystique was conducted in 2 rounds, with the first round being held on 4th September and the second round on 5th September. Each round consisted of a series of 5 intriguing clues, which the teams had to solve as fast as they could. A total of 31 teams qualified for the second round. At last, top 3 teams who were able to finish the game the fastest were awarded with prizes and certificates.

DESCRIPTION:

Live Talk with LGBTQIA+ Icons was a webinar held to educate the people more about the LGBTQ+ community with our influential guests, Yash Sharma and Mohor Roy. Sexual orientation and gender identity are integral aspects of oneself and should never lead to discrimination. With a will to celebrate the people who have valiantly embraced their sexual identity with pride and to share their inspiring stories with the world, the webinar proved to be a great medium. The event was great success with a very lively audience on board and it became more lively by the presence of our Associate Dean and Faculty Advisor. The event was held on Google meet

DESCRIPTION:

On 27th March, Leo Club of BIT Mesra conducted a donation drive for the children living in the slum areas. All 22 volunteers went to the slum areas near Dhurva which is under the NGO named Vishalakhi Foundation,where we interacted with 50-55 children aged between 5-15 years. We played cricket, football and one of the most popular games "Kho-Kho ". We all danced, sang songs and did fun things with them. Leo Club BIT Mesra donated stationery, study materials like notebooks, pens, pencils, eraser and other stationary items. There was also an interactive session with the ladies living in the slum areas. The importance of sanitary napkins,myths related to menstruation and how to use a sanitary napkin was also taught to them, then we distributed sanitary pads among the ladies. The donation also included bottles and food items like chocolates,biscuits and cakes. These donated items had been collected from all the hostels of the campus. Apart from the stationaries, food packets,masks and sanitizers were also provided to them. By interacting with the children, we got to know about their areas of interest and what they are aiming to become in future.

DESCRIPTION: The event "Tainaat" was yet another endeavour by the literary society, where we got insights from a reputed army official, "Major Eliza Rungta" on various aspects of military lives and also about her life journey and got suggestions to build the nation as a citizen. It was an open event and we aimed to spread positivity and refresh the minds of students bogged down by the deluge of assignments and online classes.

Description: The Literary Society, BIT Mesra, conducted its annual literary extravaganza, "LitNight'21," fused with enthralling and spellbinding events from 17th to 19th December 2021. To nurture a creative environment under the ambiance of literature, Open Mic was scheduled on the first day of LitNight'21. The event forged the connections between musicians, poets, comedians, and storytellers who exhibited their astounding set of creative skills and enamoured the audience. The intriguing idea to make people laugh through entertainment and disport, Hindi & English Thespian Impressions, was orchestrated on the second day of LitNight'21 which encapsulated colossal success. The participants displayed a spectacular performance and flabbergasted the audience with their enigmatic impressions of some renowned characters from reel and real life. The final day of the grandiloquent event was illuminated by Kavi Sammelan, where all the performers scintillated the rostrum with poetry and prose. With this, the flagship event culminated with a promise to disseminate the flame of literature far and wide.

Web/Media Reports- ROSTRA event coverage by NAPS:

ROSTRA'22: Conglomeration of Literati

It is said that there is no surer foundation for a beautiful friendship than a mutual taste in literature. A benevolent heart always delights its visceral emotion through exchanging words and thoughts. It enables us to see through the lenses of others, becoming a looking glass into the world where words breathe life in tranquility. As we sip on its sweet nectar, sing, and celebrate, we unknowingly embark on a journey ushered by the creative imagination and the ability to think beyond the odds. Indeed, it stirs a flame that is true to life and soul. Candid yet surreal.
To kindle the flame of literature in the compassionate hearts of literati and venerate its quiddity, the Literary Society, BIT Mesra laid the podium for the zealous enthusiasts and literary lovers to demonstrate their innate talent under the canopy of ROSTRA'22. Being one of the most prominent literary fests of eastern India, it offered a metaphorical consortium to literary enthusiasts across the country to manifest their eloquence, proficiency, and finesse. The three-day literary extravaganza encapsulated a plethora of mind-boggling and multifarious flagship, formal, and informal events, rendering an overwhelming experience that took a prominent spot in the memory. Despite liberating immense glee and exuberance, ROSTRA'22 assured a comfortable space for free thinkers and creative minds to showcase their proficiency in their fields of expertise.

DAY-3
RADIOACTIVE: A GAMMA-RAY OF EXCITEMENT

"On TV, the people can see it. On the radio, you've got to create it."
–BOB UECKER

An infectious personality and a keen ear for music are essential attributes that one needs to retain to stand out as a prodigious radio jockey. Hence, to boost the fun quotient and hone the oratory prowess of zealous minds, the Literary Society, BIT Mesra organized "Radioactive"–an enthralling event to unearth the quiescent adroitness of budding RJs hidden in the crevices of creativity, under its annual literary fest, ROSTRA'22. The event was an amalgamation of mellifluous melody and rhetoric finesse, testing the participants' eloquence and communication skills to engage and entertain the audience like no other. The participants were quick on their feet and spontaneous in vernacular, displaying a blazing bravura that left the spectators spellbound.

The highly-awaited event kicked off at 11:00 A.M. on 13th March, 2022, via the online platform Google Meet. The event witnessed the participation of 27 competitors competing against each other, maneuvering an exciting spectacle for the audience. As the participants started rolling in, the event's moderators, Neetu Kumari and Ayushree Raj put forth the prerequisites and explained the rules of the competition. Two songs of contrastive genres were laid out to each participant beforehand. They had to manifest their oratory skills, establishing a connection between the transitioning mood of the songs filling in the shoes of an RJ. The participants embarked on the undertaking with immense enthusiasm and enthralled the audience with their eloquence and disposition, withstanding the tidal wave of pressure without compromising.
RJ Shanvi, a renowned Radio City 91.9 FM host, judged the event. She meticulously gauged the participants' performances based on their diction, fluency, delivery, musical transitions, expression, and general RJ persona. Participants acquired a treasure trove of insights and learning

experiences with constructive and valuable feedback.
With each successive performance, the participants raised the bar showcasing their ability to manipulate human emotions through music, enclosing an ecstatic atmosphere while turning the metaphors of visceral feelings coherent. The event encapsulated the audience under its scintillating ambience, giving the participants a moment to shine brighter, leaving no stone unturned.
Following participants emerged victoriously:

1. Akash Rupam Ekka (Team Chai Sutta)
2. Gunjan Kumari (Team the Hexa Squad), Manindra Kumar (Team the Hustler), Satyam Patil (Team Six-fact-or-real)

VAKK YUDDH: A BATTLE OF BARDS

"A poet is a nightingale, who sits in darkness and sings to cheer its own solitude with sweet sounds."

–PERCY BYSSHE SHELLEY

Poems are considered the most versatile form of literature that beholds the ability to make us smile, cry, and even roll on the floor, laughing, eliciting peak emotional responses. In the hands of a skilled poet, they are the nostrum of emotional expression that can remedy broken hearts with mere words. To find these skilled bards, the Literary Society, BIT Mesra, organized "Vakk Yuddh," an event where participants showcased their redeeming features in a battle of wits and expertise, enduring its repercussions until only one stands the solid ground.

The event kicked off at 12:30 P.M. on 13th March, 2022 via the online platform Google Meet. The host of the meeting, Saurya Raj, laid the rules for the event to the participants. 2 topics were proposed to each contestant post which they had to choose anyone randomly as per their convenience. Then the participants were expected to disclose the creative side of their brain and come up with an original poem on the chosen topic and present it to the judges within the stipulated time. The judges would then evaluate the submissions and select the candidates with the best-written piece for the final round. Intriguing and engaging topics like "Paigam" and "Kashmakash" were offered to the participants as they immersed themselves in creative brainstorming to win the ultimate battle.
After a meticulous evaluation of the entries following candidates advanced to the final round: Sparsh Anand, Ayush Kumar Mishra, Khushi Mishra, Rohan, Ayan Mitra, Aayush Dutt Mehta, Rachna Shaw, and Pranjal Kumar.
The final round commenced with the introduction of Mr. Kalpesh Wagh, a renowned poet, as the distinguished judge for the event. The finalists were then divided into pairs, engaging in a poetic battle that became an exhilarating and end-to-end fixture. The participants scintillated the rostrum with metric verses and poetic renditions on topics as varied as "Paigam" and "Moksha," venerating the quiddity of poetry in its actual configuration. Hitting the sweet nerves, the witty and meaningful "Shayari" embellished with visceral emotions captivated the audience throughout.

The event culminated with an interactive session where Mr. Wagh enlightened the participants by expounding his thoughts on the beauty of poetry that emanates from the heart's core, out-spreading its warmth far and wide.

After much consideration, the following participants took the winners podium wearing victorious smiles:-
1. Ayan Mitra (BIT Mesra)
2. Khushi Mishra (DAV, Bishrampur)
3. Rachna Shaw (IIT Mandi)
Special Mention: Aayush Dutt Mehta (BIT Mesra)

SPEAKER'S DILEMMA: A SYMPHONIC VERSIFICATION

"Nothing is so unbelievable that oratory cannot make it acceptable."
-MARKUS TULLIUS CICERO

One of the incredible virtues humans have been honoured with is the enormous potency to speak. A great speaker can galvanize an army, topple an oppressive regime, unite warring enemies and make congenial countries plunge into war. A speaker's job is not just to impart a charismatic speech but also to captivate the audience's attention and induce an incessant afflatus with brevity, utilizing a mixture of emotions and logical ideas. Hence, to disseminate the flame of literature and commemorate the compassionate literati within, the Literary Society, BIT Mesra organized "Speaker's Dilemma"–an event where participants displayed wily charms and astute personality of their powerful voices to arrest the attention of a multitude, unravelling the knots that clenched the hearts.
The event commenced at 3 P.M. on 13th March, 2022 via the online platform Google Meet. 25 participants occupied the meeting gallery in anticipation of their moment to be in the spotlight and illuminate the rostrum with their bedazzling performance. Neetu Kumari and Ayushree Raj were the moderators of the event. They explained the rules and laid the prerequisites to all contestants. The participants could present literary pieces written by themselves or any delivered speech by meritorious artists in Hindi and English, showcasing their passion and competence.
The esteemed judges for the event included Manas Kumar, President of the Literary Society, BIT Mesra, along with Ishman Kaur, Triparna Roy, and Akshat Ved. They gauged the participants' performances based on eloquence, diction, pronunciation, content, and the ability to express emotions.
The competitors bewitched the audience with their stellar performances and fabricated a mystical atmosphere. The event witnessed great fascination as participants delivered speeches and recited poems that evoked inquisitive emotions to the listeners and teleported the audience on an emotional rollercoaster ride.
With all valiant performances illuminating the dias, the spectacular event was drawn to a close at 4:20 P.M. with a vote of thanks by the moderator. "Speaker's Dilemma" was a huge success as all the participants acquired an excellent learning experience, manifesting their potency and efficacy to its fullest.
After much speculation, the following participants scintillated the winner's podium:

Hindi Winners:
1. Ajitesh Harshit (BIT, Mesra)
2. Ayush Kumar Mishra (D.A.V. Bishrampur)
Special Mention: Rohan
English Winners:
1. Ayan Mitra (BIT Mesra)
2. Kingshuk Banerjee (BIT Mesra)
Special Mention: Abantika Dauttagaur

NEWSROOM: A BOISTEROUS DISQUISITION

"As a journalist, the details always tell the story."

-JAMES MCBRIDE

Society advocates its inimitability with its complex functionality and role play. Outside looking in, it's ingenious, but on closer introspection, it's held by threads of lies and deceit by those in power. However, all hope for humanity isn't lost.

When witty, vigilant individuals with razor-sharp intellect investigate unfettered scenarios to reveal the truth, the hope is restored fully. Hence, to cater to the immaculate eloquence of those who possess an unabating ardor for reflecting a dynamic perspective, the Literary Society, BIT Mesra, organized a riveting event, "Newsroom." Conglomerating various attributes of a true connoisseur, participants embarked on a quest of verity to unravel the facades and expose the hearts.

The event witnessed 10 flamboyant participants eager to altercate their views on a plethora of vexed topics. The event began at 9:00 A.M. with the hosts, Mohit Raj and Ishita Harshvardhan, briefing the contestants about the rules and regulations. The preliminary round consisted of two parts, with different team members participating in both rounds. In the first part, the contestants had to muster their eloquence and brevity while reading a piece of text impromptu, rectifying and improvising the subtle errors punctuated in the paragraph. In the second part of this round, the participants had to concoct and report on a quirky topic, tickling the bone of the crowd. It was hilarious to witness participants mimicking famous news anchors, showcasing their inexorable fervor and creative takes on these situations. The prelims concluded at 10:00 A.M. with two teams qualifying for the finale.

The final round was a panel discussion. The participants indulged in an intense discourse displaying their argumentative disposition on "whether the scenario between Ukraine and Russia is a full-blown war or an invasion by Russia." With a 3-minute opening speech on either side followed by piquant rebuttals, the panel was set to unfold for discussions. The perspectives changed as participants encountered discombobulating arguments, putting their proficiency to the test. The spectators were flabbergasted to witness these astute individuals noticing intricate details to structure their points to baffle their opponents. Throughout the panel discussion, the heat and friction of the fierce debate arrested the attention of the multitude. Finally, after the exhilarating confabulation, the event ended with the judges Nandini Mishra, Apoorva Nanda, Bhavesh Chaturvedi, and Kumar Sonu giving an ethical retrospect on the same.

The event concluded at 11:30 A.M., with the moderators and participants exchanging regards and a closing speech by the host, Ishita Harshvardhan, eulogizing the finalists for making the event a huge success. The results were declared a few hours later, and the stands were:

1. Team sixFact-or-Real comprising Samvaidan Salgotra, Rishab Barai
2. Team Chhe-Minar comprising Simran, Abantika Dutta Gaur
3. Team Goal Diggers comprising Darshan Sripadh Eddula, Ekansh

CLOSING CEREMONY

The closing ceremony of the grandiloquent event, ROSTRA'22, commenced with 7RCR at 7:00 P.M. in the CAT hall. It was a fiery debate between the winners of "Newsroom" and "Youth Parliament." The contenders contemplated and deliberated on "whether the Indian Judiciary would be mirroring the characteristics of an authoritarian China or not." Abantika Dutta Gaur spoke for the topic, and Kingshuk Banerjee put forth his views against the notion. The participants were supposed to give a 3-minute speech each, followed by rebuttals from the live audience and their respective opponents. The participants held their firm ground with zeal and conviction and making the opponents' pointers sound bogus. The heated discussion brought fresh perspectives to the audience. With the culmination of this fiery debate, Abantika Dutta Gaur emerged as the winner of 7RCR.

Following this, the Literary Society, BIT Mesra unleashed its compassionate poets and eloquent orators to make the elegant evening more majestic, ascending the closing ceremony to the pinnacle. Visionaries from all over the place gathered on the podium to showcase their flamboyant and charismatic personality. Genres ranging from patriotism to love tragedies to raising critical social messages to coherent portrays mythology, were presented in the most aesthetic way that left the audience spellbound. The dynamic and vibrant disposition of poets pushed the spectators to the edge of their seats, eventually breaking into thunderous applause.

With this, the magniloquent event, ROSTRA'22 was drawn to a conclusion with the wings of literature encircling the zealous enthusiasts under its coruscating ambience, enkindling the flame of victory in the compassionate hearts of the admirers.

DESCRIPTION:

On the 29th of October 2021, the members of Dhwani- Music Club hopped into putting together some of their best musical pieces through 'ENCORE'- a series showcasing mellifluous voices of various timbres. An array of performances encompassing unplugged and ensemble versions of much-loved songs was premiered on Dhwani's YouTube handle at 9 P.M.

On day 1, the members of Dhwani- Music Club rendered an unplugged bare-bones version of "Californication", an Alternative Rock, originally produced by the Red Hot Chili Peppers, a rock band based in Los Angeles.

Day 2 was carried out by the evocative lyrics of "Modern Loneliness" by one of the finest pop artists, Lauv, which was a perfect composition of emotions that pulled on the iciest of heartstrings. The members of Dhwani recreated this anthemic singalong with their melodic touch.

The event was concluded on 31st of October 2021, by few of Dhwani's instrumentalists, who pulled up an uber-cool entertaining cover of "Megalovania", one of the most famous soundtracks from the game Undertale.

There were over 1k views across all of these videos.

DESCRIPTION:

Dhwani-Music Club, BIT Mesra conducted the 'Beginners Guide to Digital Audio Workstation (D.A.W)' workshop that highlighted a slightly more practical approach to Mixing and Mastering. It was live streamed over on Dhwani's official YouTube channel from 11am onwards.
The workshop was taken by our guest instructor Chandradeep Kumar (a.k.a cfx), a self-taught aficionado in the art of D.A.W with over two years of professional experience in the field.

Day 1 was commenced with an introduction to Digital Audio Workstation. The instructor explained various musical factors like Audio Midi Signals, Panning, Reverb and Delay, EQ compressor, Channel Rack, Stereo separation and so on. On day 2, Chandradeep produced an audio track from scratch. He demonstrated techniques to add in the bass, synth, guitars, drums, reverb, plugins and other effects necessary to make an audio track.
The workshop was concluded at 2:30 P.M. on 19th of December, 2021.

PHOTOGRAPHS/MEDIA(FB/Twitter/LinkedIn/Press) REPORT (WITH LEGEND/ABOUT PHOTOGRAPH):

Poster for the event "Bharat Darshan" hosted by the Rotaract Club of BIT Mesra on 15/01/22

DESCRIPTION:

"Bharat, the One land all men desire to see and having seen once, by even a glimpse, would not give that glimpse for the shows of all the rest of the globe combined."

-Mark Twain

It is this combination of various splendid cultures that make India one of a kind. The Indian cultural diversity is what makes India unique and beautiful. From Delhi, the capital of India, to Tamil Nadu, the southernmost state of India, the land is blessed with astounding scenic beauty. From architectural prowess in Dravidian and the Nagara styles to the aesthetic beauty of Indian dresses, this country never fails to mesmerize us.

In honor of this oasis of splendor, Rotaract Club of BIT Mesra is proud to unveil its flagship event, BHARAT DARSHAN'22, set to cultivate inventive and creative ideas to connect the cultures, traditions, and communities and showcase their heritage, food, dresses, customs, and achievements.

THEME 1: WHEREABOUTS

Poster for the sub-event "Whereabouts"

DESCRIPTION:

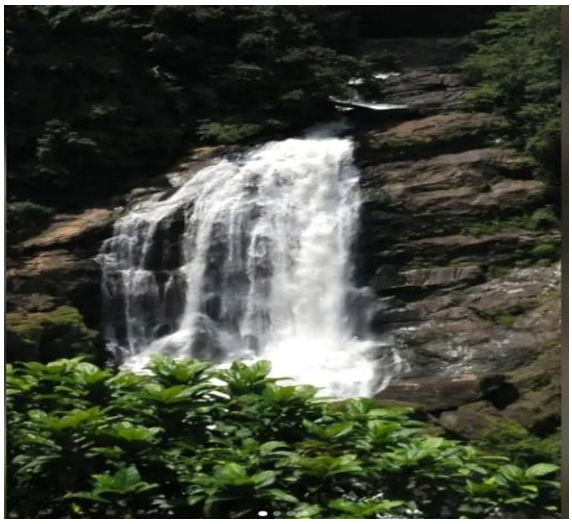

"We take photos as a return ticket to a moment otherwise gone" -Katie Thurmes.

Hometown, a place where we get real peace- away from all worries, like sleeping in mother's lap. The mooing of the cows, that smell of the soil, the clear view of the

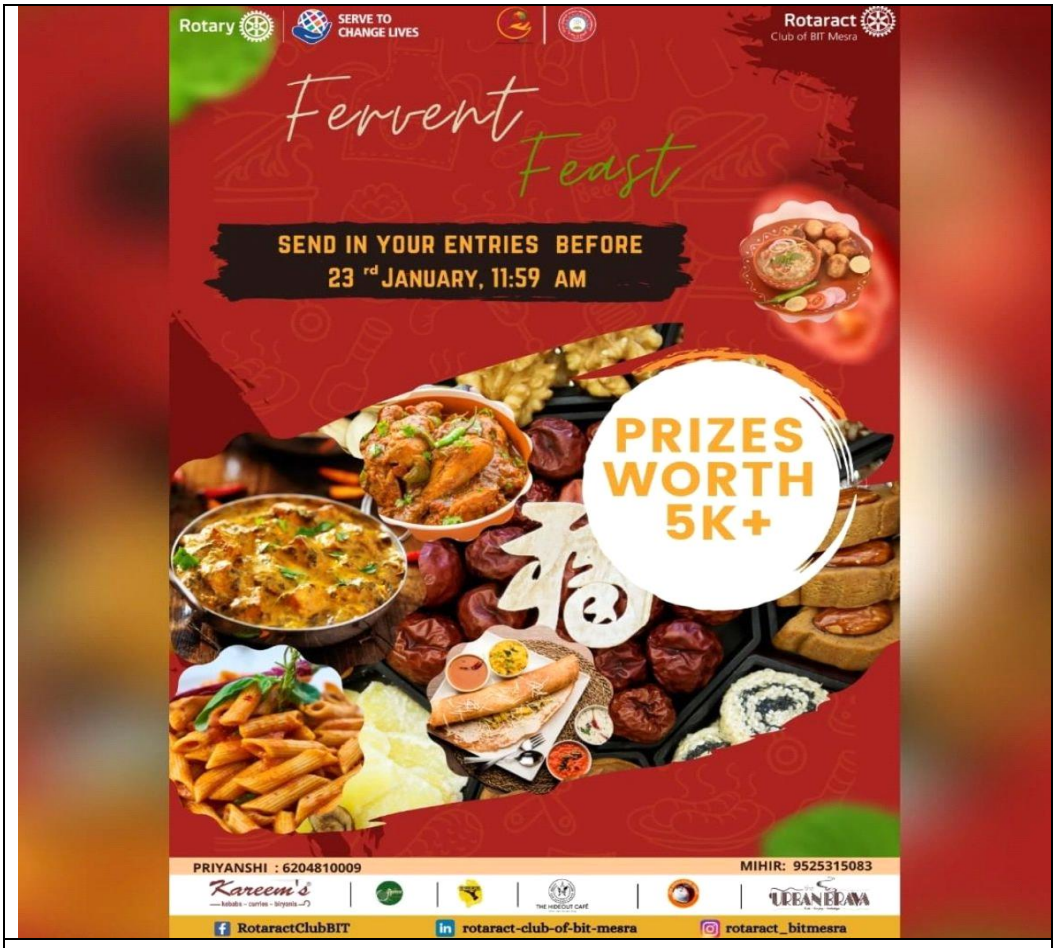

night sky and that sense of affinity gives you goosebumps. Apart from our hometown, we might get that feeling at any other location where we find real gratification. It becomes our niche. It might be an old temple or a lake house or even a spooky tree in a village.

Rotaract Club of BIT Mesra is here with its first theme of the mega event ‘Bharat Darshan’- ‘WHEREABOUTS!’ , a photography contest for all you shutterbugs to showcase your skills and talent. So, grab a camera and share with us some amazing photos of your hometown you are proud of, expressing the nostalgia behind it in your heartfelt words in the below link.

THEME 2: FERVENT FEAST

Poster for the sub-event "Fervent Feast"

DESCRIPTION:

Traditional Indian gastronomy is a mélange of spices and flavours. Akin to the subcontinent's cultural and linguistic diversity, culinary style in India varies from place to place. No matter where you stay there is always that one particular food item that will remind you of your hometown-one delicacy that reminds 'home' for you.

Rotaract Club of BIT Mesra is here with 'Fervent Fest' on the hunt for the nation's very best amateur food photographs. Whether it's a picture of your favorite dish, a cake you love to bake or an old nostalgic family dish – share it with us and you could win great prizes worth upto 5k. Send in your entries in the below link.

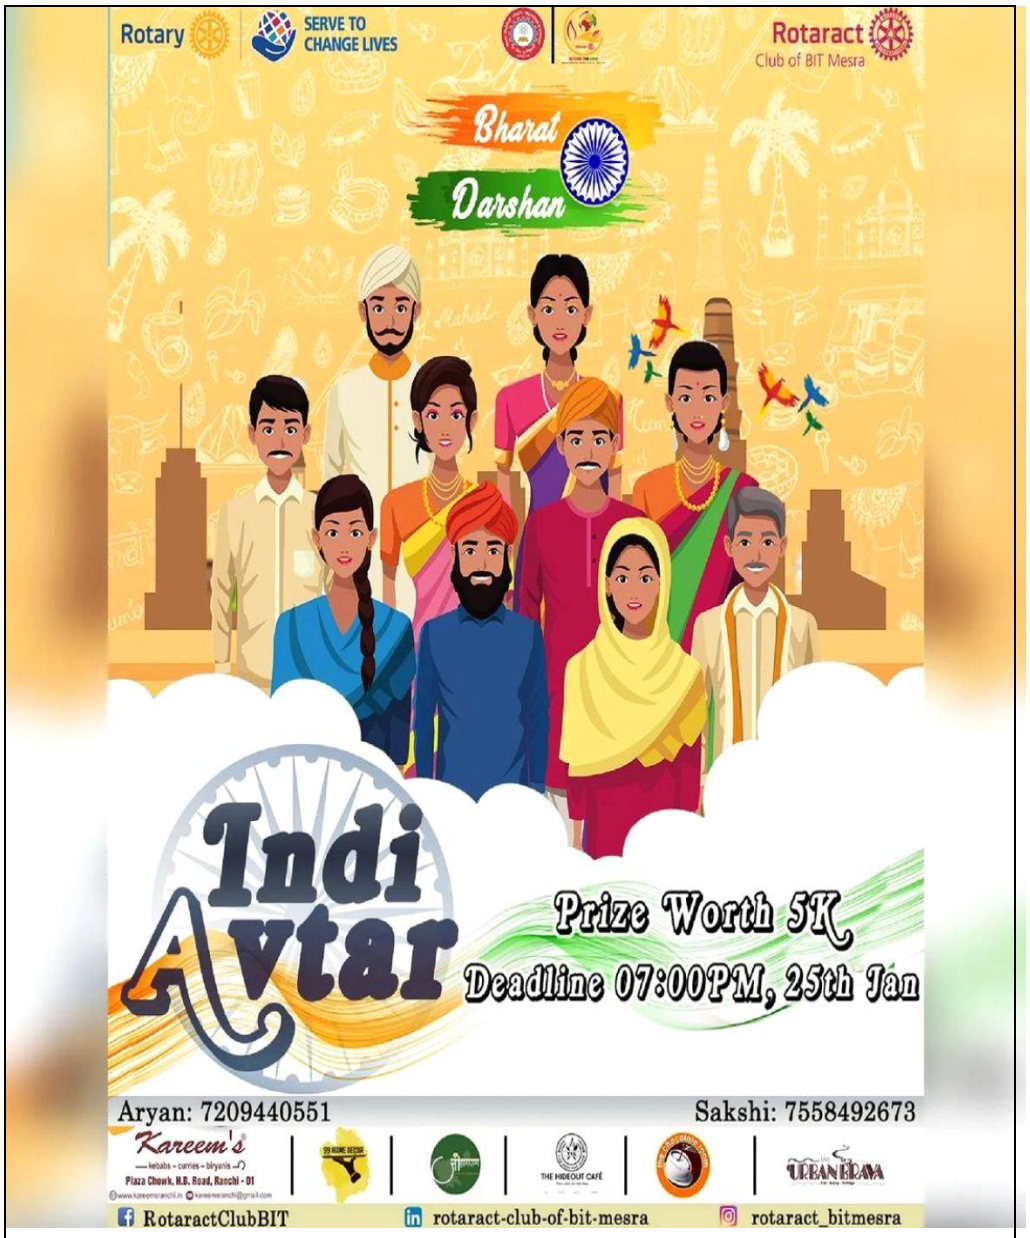

THEME 3: INDI AVTAR

Poster for the sub-event "Indi Avtar"

DESCRIPTION:

"Har pradesh ki apni vaani, har pradesh ka bhesh hai,
Vividhtaon mein ekta wala humara Bharat desh hai."

The 'Indianness' of the people of our country comprises unimaginable dimensions, ranging from primordial traditions to a beautiful amalgamation of diversified

cultures. Desi attires and accourtrements are the paramount ingredients without which everything “Indian” seems to be fragmentary and incomplete.

We at Rotaract Club of BIT Mesra are exhilarated to unmanacle the awe and charm of Indic festivals earlier this year as we announce the third theme of Bharat Darshan- “Indi Avtar”. So pick up your kurtas and sarees, seize your conventional garbs, embellish yourselves with your sectoral outfits, and provide us with your candidature to bag myriad gripping and exciting awards. Send your entries through the link in bio.

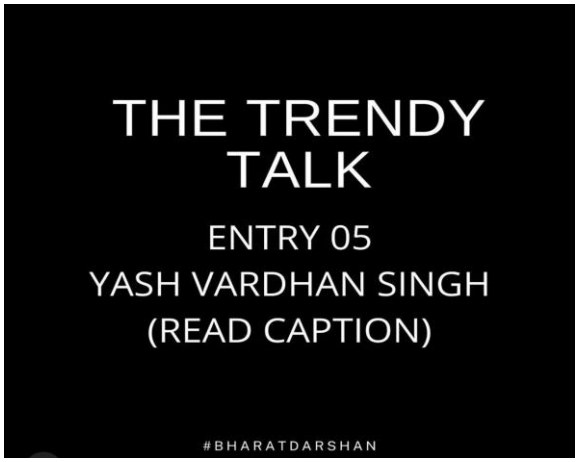

THEME 4: THE TRENDY TALK

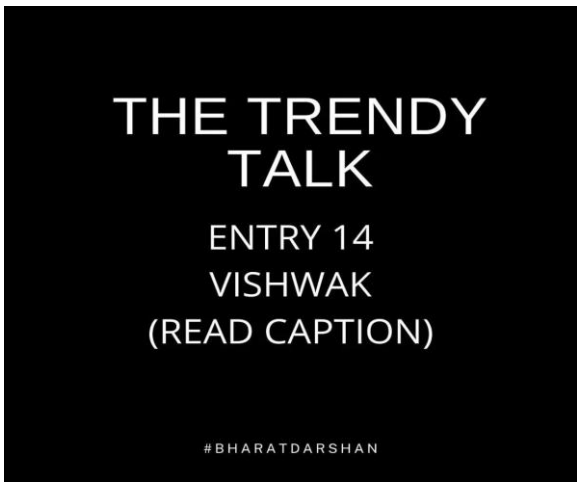

Poster for the sub-event "The Trendy Talk"

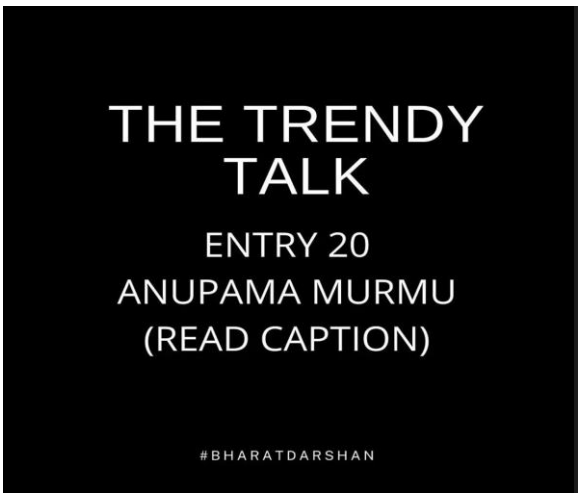

DESCRIPTION:

Nowadays, we all want to say a piece or two regarding some topics which are trending and have caught the attention of the entire country. We are organizing the 4th event of Bharat Darshan called “Trendy Talk” in which we are giving you the opportunity to express your thoughts and opinions about the issues you are facing in your locality or any other region and you can convey your views to the large masses. Send in your entries by trailing the below link.

THEME 4: RESULTS

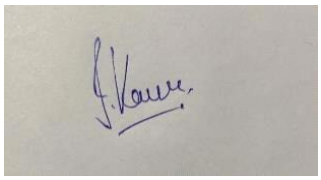

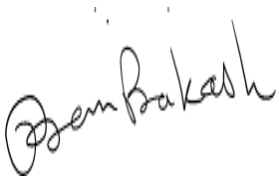

Result Poster of the event

DESCRIPTION:

Nowadays, we all want to say a piece or two regarding some topics which are trending and have caught the attention of the entire country. Poster for the event "Meme Regime 3.0" hosted by the Rotaract Club of BIT Mesra on 25/09/21

DESCRIPTION:

The online semester has gotten the best of most of us, and to be honest, memesters are the angels who've helped us survive this incessant rain of quizzes and assignments. So, if you feel you've got what it takes to tickle bones and blow minds and are looking for an opportunity, this might be the AAKHIR VO DIN AA HI GYA! moment you've been waiting for.

Rotaract Club of BIT Mesra organized a meme competition named "**Meme Regime 3.0**." Spread across three themes, Meme Regime 3.0 is a chance for all the creative folks out there to showcase their wittiness and stand a chance to win cash prizes and more.

This competition witnessed the engagement of over 100+ entries.In the ultimate combat, all the participants competed with utmost zeal and zest. After intense rounds, “Akash Rupam Ekka” bagged the first spot followed by "Sakshat " at second and "Preyal Ameta" at third positions respectively. The winners were awarded with cash prizes to cherish their victory.

CLUB/SOCIETY NAME: SPORTS AND ADVENTURE CLUB

ACTIVITY REPORT (2021-22)

ABOUT US

Sports and Adventure Club codifies and conducts numerous sporting derived events with the aim of grooming a level ground for students to sharpen their skills and tactical thinking while also being agnostic of the holistic part of one's development by providing them stimulus to hone their spirits. Hosting events year-round, the club distils a sturdy mindset in everyone involved with its events. Sports and Adventure Club also ensures that all its events carry the highest level of transparency, providing parity among all its events while prioritising a healthy competitive environment. The Club has also adapted, in arguably the smoothest transition, a process to organising successive successful events irrespective of the mode (online/offline) of conduct resulting in its rapid growth. Being responsible of conducting all official sporting events of BIT Mesra, it strides to provide every student the opportunity to stay healthy and full of enthusiasm throughout their time in the college.

[1] Seeking the assimilation of a healthy yet competitive mindset among individuals transforming them into better versions of themselves.

[2] Promoting the idea of sports as something more than just a necessity for a fulfilling life and introducing new ways of enjoying sports.

[3] Coming up with new ideas to adapt and change forces to the needs of everyone and hence making it a fair proposition for them to associate with the club and the institute.

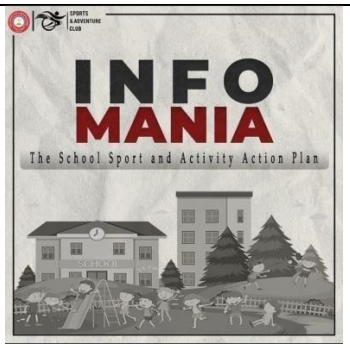

[4] Garnishing the spirit of sportsmanship among the students.

Main poster for "BLITZ 2.0"

DESCRIPTION: (APPROX 100-150 WORDS): BLITZ 2.0 was an online chess tournament organized by the Sports and Adventure Club of BIT MESRA. Blitz chess, also known as speed chess is a time bound game of chess. Playing Blitz chess creates a flurry of moves, as both players hustle to complete their respective halves of a chess game. The event was conducted on the Lichess app. At the beginning of the tournament, the players were paired on the basis of their previous rating. It was a league tournament with a unique scoring system and the winner was decided according to the points scored by the players at the conclusion of the tournament. The brightest minds competed fiercely and made the event a huge success.

PROCEEDINGS OF THE CAMP

22st December 2022 to 28th December 2022

The camp started at 9 AM every day. The cadets punctually assembled at NCC Ground for their attendance. This was followed by Warming Up exercises and then DST. Cadets were then taken to classrooms to attend classes on History and Formation of NCC, Weapon Training, Field Craft, Battle Craft, First Aid, Mines, Map Reading, Fire Fighting, Disaster Management, Health and Hygiene, Military History, Social Awareness and Personality Development, spread over the course of 5 days. Classes taken by Senior Cadets and PI staff helped the younger cadets gain immense knowledge about NCC and its proceedings.

PROCEEDINGS OF THE CAMP

21st February 2022 to 25th February 2022

The camp started at 9 AM every day. The cadets punctually assembled at NCC Ground for their attendance. This was followed by Warming Up exercises and then DST. Cadets were then taken to classrooms to attend classes on History and Formation of NCC, Weapon Training, Field Craft, Battle Craft, First Aid, Mines, Map Reading, Fire Fighting, Disaster Management, Health and Hygiene, Military History, Social Awareness and Personality Development, spread over the course of 5 days. Classes taken by Senior Cadets and PI staff helped the younger cadets gain immense knowledge about NCC and its proceedings.

After the morning session of training, cadets were distributed refreshments that were arranged by K19 cadets. The afternoon session comprised of outdoor sport activities like football, badminton and volleyball. The cadets engaged themselves actively throughout the day. The training for the day would come to an end at 5:30 PM by singing the NCC song. Cadets helped in dissembling and packing the tents and setup for the day.

Weapon Training for all cadets was organized under Commanding Officer of the Unit Lt. Praveen Thakur and PI staff. Every Cadet was given an opportunity to fire 10 shots. Prior to shooting, cadets were made to do pushups and crawling exercises and then instructed on how to make an aim. After this training cadets were taught how to clean a weapon. Both SWA and SDA cadets performed well with vigor and enthusiasm.

the neighboring areas of BIT Campus. This cleanliness drive was a success with the combined efforts of cadets and staff.

At the end of the 5 day ATC Camp, all the 92 cadets assembled for the closing ceremony in which the efforts of everyone who made the camp a success were acknowledged. The cadets dispersed after singing the NCC song and The National Anthem with their heads held high in full fervor.

PROCEEDINGS OF THE EVENT

The event started at its scheduled time ,i.e, 11:00 a.m. All the present cadets and NCC staff reached the locality near BIT gate, by 10:45 a.m ,with the broomstick, and banners.

The cadets were then divided into different groups each with different purpose.

Some groups were assigned to clean the surroundings, while some held the banner, walked door to door ,talking to different people and making them aware of proper sanitation, threats of not disposing waste correctly , etc.

The civillians actively participated and listened eagerly to the cadets ,throughly during the entire communications of awareness.

CLUB/SOCIETY NAME: NATIONAL CADET CORPS, BIT MESRA

A total of 86 cadets actively participated in the event.

The entire event was supervised and regulated by the NCC staff and K19 seniors.
