TRAINING & PLACEMENT DIVISION

CAMPUS RECRUITMENT PROGRAMME 2015-16

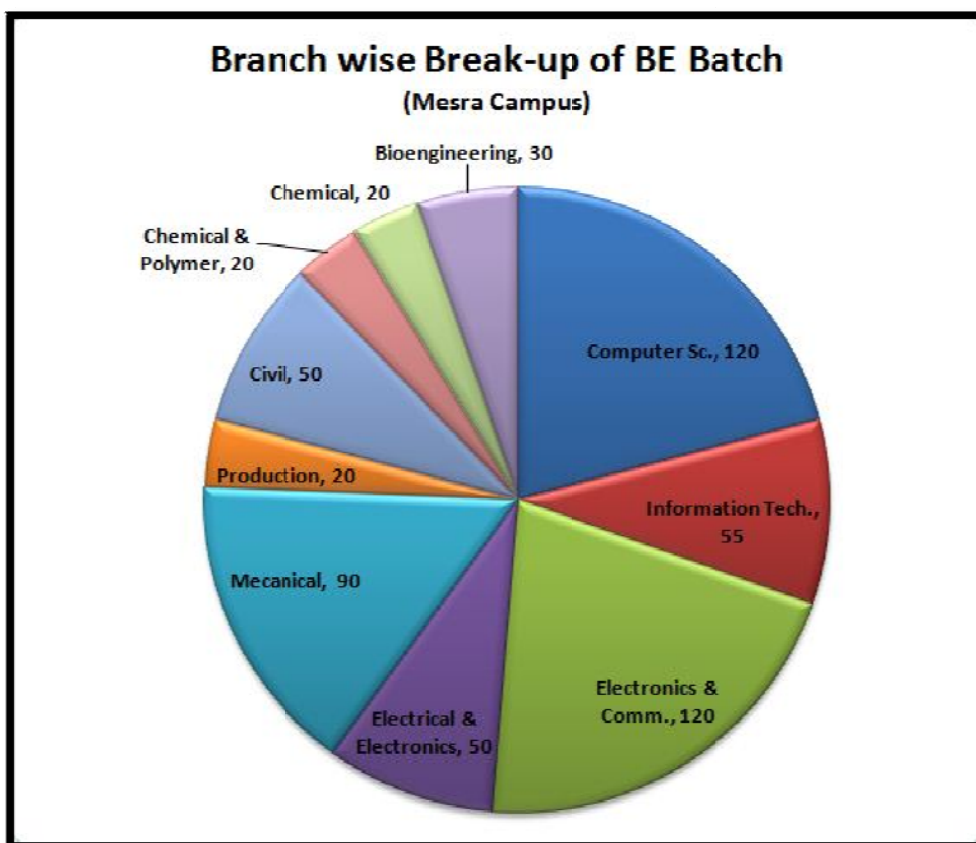

The Training & Placement Division, BIT, Mesra, welcomes recruiters for participation in the Campus Recruitment Programme for the Batch graduating in the year 2016. The Campus Recruitment Programme, organised every year in the penultimate semester of the BE Programme has successfully met the HR needs of leading recruiters for the past 55 years.

The rigours of study at BIT, coupled with lab practice and balanced exposure to the Industry as well as extracurricular activities on campus through a range of student clubs and societies, brings out the best from the students and prepares them well for challenging leadership roles. BIT alumni contributing in positions of highest responsibility, across the globe.

ACADEMIC PROGRAMMES

B.E. (Admission through JEE Main)	Bioengineering	Electrical & Electronics
	Chemical	Electronics & Communication
	Chemical & Polymer	Information Technology
	Civil	Mechanical
	Computer Science	Production
ME (Admission through GATE)	Automation Mfg. System	Electronics & Communication
	CAAD	Mechanical
	Civil	Software Engineering
	Electrical & Electronics	Space Engineering & Rocketry
M.Tech. (Admission through GATE)	Biotechnology	Environmental Science
	Bio-Medical Instrumentation	Information Security
	Computer Science	Information Technology
	Energy Technology	Remote Sensing
MCA (Admission through All India Test)	Computer Application	
Integrated MCA	Computer Application	
M.Sc.	Applied Chemistry	Bio-Informatics
	Applied Mathematics	Geo-Informatics
	Applied Physics	Information Science
	Biotechnology	Information Technology
MBA (Admission through CAT Score)	Marketing, Finance, HR & IT	
Integrated MBA	Marketing, Finance, HR & IT	
Integrated M.Sc.	Chemistry	Mathematics & Computing
	Physics	

The Institute offers UG & PG Programmes in Pharmaceutical Sciences as well as Architecture

CAMPUS VISIT-FACILITATION

Pre-visit Initiatives:

The Institute welcomes and facilitates early Pre-Placement Talks/Presentations. All Job Notifications along with any other material provided by the recruiters are displayed on the student’s portal as well as the notice boards.

Students apply online against the Recruitment Notifications and their details are provided to the recruiters on an excel sheet. Soft copies of resume’s are also forwarded, if so required, through e-mail.

During the Campus Visit

The Institute’s auditorium is well equipped with the audio-visual facilities for presentations. Adequate space is provided for the written tests that are a part of the selection process. Large halls with every convenience are kept ready solely for this purpose. For online tests computer labs, fully networked and connected to a 1 GBPS network are provided. 250 students can take the online test at one time.

For stay on campus, arrangements are made, on request, at the Institute’s well appointed guesthouses that are equipped to provide for every requirement of BIT’s guests. The Institute also arranges for Airport/Railway Station pick-up, if required.

The Placement block has well designed and centrally air-conditioned facilities for conducting GD’s & Interviews. A dedicated team of student placement coordinators actively support the campus recruitment process.

BIT EXTENSION CENTRES

In nearly six decades, BIT has spread geographically through establishment of extension campuses. The campuses located in different parts of the country as well as overseas function under the complete academic norms and control of the parent University. The academic programmes as well as the examination process are conducted centrally to maintain standards.

BIT Off Campuses are located in Patna, Deoghar, Ranchi City, Kolkata, Allahabad, Noida & Jaipur. And Off Shore Campuses are in Muscat & Ras Al Khaimah.

TIE-UPS

BIT has entered into several value added associations with several organisations which have resulted in creation of specialised laboratories, introduction of Industry suggested electives, internships as well as scholarships and support towards technical clubs & society. Some of such associations are with Texas Instruments, Freescale Semiconductors, Cummins, Infosys Technologies, Tata Consultancy Services, Cognizant Technology Solutions, Tata Steel etc.

SOME OF THE RECRUITERS

IT	Consulting & Analytics	Automotive	Engineering Infrastructure	FMCG & Consumer Durables	Telecom & Energy
Facebook	Goldman Sachs	Maruti Suzuki	Tata Steel	Reckitt Benkeiser	Airtel
Microsoft	PWC	Tata Motors	Reliance Ind.	Britannia	Idea Cellular
Amazon/ Flipkart	Nomura	Hero Moto	L&T / L&T Constructions	Nestle	Freescale
EPIC	Stellium	Hyundai	Exide	Hindustan Unilever	Tata Power
Directi	Mu Sigma	Mahindra	Magneti Marelli	LG	Reliance Power
SAP Labs, Oracle	EXL	Honda	Havells	Samsung	Tejas Networks
CTS, IBM, Infosys	Blueocean	Volvo Eicher	Trident	IFB	Ericsson
